Plaintiff Annette Lorber, for her Complaint against each and all of the abovereferenced defendants, with knowledge as to her own actions and events occurring in her presence, and upon information and belief as to other matters, alleges as follows:

### **SUMMARY OF THE ACTION**

- 1. This action seeks to rectify, in part, the sweeping damage caused by nearly a decade of family betrayal in furtherance of a fraudulent real estate scheme that spans the eastern tip of Long Island to the southern tip of Manhattan. The allegations that follow detail both overt and covert acts orchestrated by defendants Jonathan Winston ("Winston") and Sheldon Ganz ("Ganz"), through an enterprise collectively known as Winhaven, designed to defraud plaintiff Annette Lorber ("Annette") and many other victims, including the federal government.
- 2. Upon information and belief, Winston targeted Annette and her family because of their wealth as early as 2000, when Winston married Annette's daughter Eve at a time when he was aware that he and his securities brokerage firm, First United Equities Corporation ("First United"), were under federal investigation for pervasive securities fraud. As a result of the investigation, Winston was indicted and faced criminal charges before this Court (Garaufis, J.) for securities fraud, money laundering and other related charges in connection with the First United scheme.
- 3. Winston subsequently pleaded guilty to conspiracy to commit securities fraud and conspiracy to commit money laundering; he was sentenced to ten (10) years

<sup>&</sup>lt;sup>1</sup> "Winhaven," as used herein, generally refers to defendants Winhaven Realty LLC, Winhaven Development Corp., Winhaven Development of New York, Inc., Winhaven Group LLC, Winhaven Group of New York LLC, Winhaven Holdings LLC, Winhaven Management Corp., Winhaven Management of New York, Inc., Winhaven of New York City LLC, Winhaven Associates LLC, Winhaven Associates II LLC, Winhaven Capital Partners, Winhaven 640 Broadway LLC, 640 Broadway Owners LLC, Winhaven Mattituck LLC, Winhaven Boerum LLC, Winhaven Westhampton Beach Plaza LLC, and any other entity under Winston's control that is otherwise unknown as of the date of this Complaint.

probation and ordered to make restitution in the amount of approximately \$108,988,825.50. Attached hereto as Exhibit A is a true and correct copy of Winston's criminal judgment dated May 25, 2005.

- 4. During the investigation and after his indictment and arrest, Winston went to great lengths to endear himself to Annette and her family in a calculated manner, and assumed the posture of an adoring and supportive son-in-law who would care for their well-being above all else.
- 5. After sowing seeds of goodwill with Annette and her family, Winston finally realized his opportunity to reap the bounty therefrom. When Annette's husband, Martin Lorber, died of lung cancer in August 2003 and Annette's mother required care following critical hip surgery one month later, Winston promised a distraught and grieving Annette that he would help her in any way possible, namely by: (1) managing Annette's finances, including but not limited to her checking, securities and brokerage accounts and her line of credit with HSBC Bank; (2) maintaining oversight of certain household needs, including collecting Annette's mail; and (3) winding down and dissolving WorldWide Footwear, Inc. ("WorldWide"), which was Martin Lorber's business.
- 6. Winston assumed management of each of the above-mentioned functions on Annette's behalf and, as alleged in further detail below, abused his position to fraudulently borrow or outright steal funds from Annette in the aggregate amount of approximately \$10,000,000.
- 7. Specifically, Winston conspired with an accountant Ganz; a former bank teller Eva Tehrani; a relationship manager at HSBC Bank Ray Finken; and, upon information and belief, other presently unknown individuals, to engage in a fraudulent

scheme conducted through Winston's enterprise, Winhaven, with the objective of purchasing, developing and selling millions of dollars worth of real estate assets while hiding the same from the federal government and defrauding numerous lenders, banks, investors, and the Internal Revenue Service in the process (the fraudulent scheme hereinafter referred to as the "Winhaven Fraud"). Annette is one of many victims of the Winhaven Fraud.

- To carry out the objectives of the Winhaven Fraud, Winston and his co-8. conspirators engaged in numerous acts of fraud over a period of at least eight (8) years, including, inter alia: (1) deceptively inducing Annette to loan money from her line of credit with HSBC Bank to Winston and Winhaven; (2) fraudulently advancing money from Annette's line of credit by forging her signature; (3) manipulating securities in Annette's brokerage accounts; (4) knowingly providing false financial and tax advice to Annette to disguise the fraudulent use of her line of credit and brokerage accounts; (5) opening checking accounts in Annette's name without her knowledge; (6) completing false statements of net worth on Annette's behalf in order to secure a sizeable mortgage on a yacht; (7) continuing to operate WorldWide as a going concern and using WorldWide as a shell to take tax deductions based on business losses associated with the interest on the funds that were fraudulently advanced from Annette's line of credit; (8) deceptively inducing Annette to loan Winston \$500,000 to post as a bond for Winhaven's purchase of a building in Manhattan; and, (9) upon information and belief, using at least some of Annette's own money for Winston to purchase Annette's home for his personal use.
- 9. The Winhaven Fraud was only recently exposed when Winston and Annette's daughter, Eve, began contemplating divorce in the Fall of 2011. As a result of

the financial upheaval that often accompanies divorce, Winston became unable to make certain monthly payments that enabled him to disguise the Winhaven Fraud, and Annette subsequently discovered that she had been betrayed and defrauded by her son-in-law and his co-conspirators.

10. In recompense for the betrayal and damages caused by the Winhaven Fraud, Annette seeks compensatory and punitive damages in an amount to be demonstrated at trial, which is not less than \$10,000,000.

#### **PARTIES**

- 14. Plaintiff Annette Lorber is a citizen of the State of New York. She maintains a residence in this district at 3 Cedar Lane, Sands Point, New York 11050.
- 15. Defendant Jonathan Winston is a citizen of the State of New York. He maintains a residence at 59 Cornwells Beach Road, Sands Point, New York 11050 and an apartment located in the Plaza Hotel at 768 5<sup>th</sup> Avenue, Apartment 513, New York, New York 10019. Winston is a recidivist; indeed, he pleaded guilty before this Court to one count of conspiracy to commit securities fraud and one count of conspiracy to commit money laundering for his role as a principal in the boiler-room broker-dealer fraud

involving First United (Case No. 1:00-cr-01248 (NGG)). Winston was sentenced on May 25, 2005 to a total of 10 consecutive years of probation and ordered to make restitution in the amount of \$108,988,825.50. Upon information and belief, Winston has satisfied none of his multi-million-dollar restitution order. Upon further information and belief, Winston's probation was lifted by this Court following the submission of a memorandum of law in support of his motion to lift his probation (the "Probation Memo"). The Probation Memo, in fact, contains false and misleading information, including much of the same false and misleading information alleged herein.

- 16. Defendant Sheldon M. Ganz is a citizen of the State of New York. He maintains a place of business at 98 Cuttermill Road, Great Neck, New York 11021. Ganz, C.P.A., P.C., an accounting firm located at 98 Cuttermill Road, Great Neck, New York. At certain times relevant to this complaint, Sheldon M. Ganz, C.P.A., P.C. was known as Ganz & Goldstein, P.C. Ganz previously filed for bankruptcy before this Court in March of 1999. In addition, Ganz has had prior civil RICO cases pending against him in other U.S. District Courts. C.P.A., P.C. may have operated under other business names, such as Ganz & Goldstein, LLP, at certain times relevant in this complaint. Upon further information and belief, Sheldon M. Ganz, C.P.A., P.C. has but four clients who are suspiciously connected: Winston, two of Winston's real estate investors, and – formerly - Annette.

- 18. Defendant Eva Tehrani ("Tehrani") is, upon information and belief, a citizen of the State of New York. Upon further information and belief, Tehrani lives on Long Island not far from the Winhaven office at 98 Cuttermill Road in Great Neck, New York. Tehrani was formerly employed as a bank teller in a Great Neck branch of North Fork Bank. Tehrani is currently employed as Winston's assistant at Winhaven. Upon information and belief, Tehrani's best friend, Melissa, is employed as Ganz's assistant.
- 19. Defendant HSBC Bank USA, National Association ("HSBC Bank") is a national bank² with assets over \$200 billion and serves approximately four (4) million customers through more than 470 bank branches throughout the United States. <sup>&</sup>lt;sup>2</sup> Defendant HSBC Bank USA, National Association is the principal subsidiary of HSBC USA Inc., which is an indirect and wholly-owned subsidiary of HSBC North America Holdings Inc., one of the United States' largest bank holding companies in terms of assets.

- Winhaven Westhampton Beach Plaza LLC: 98 Cuttermill Road, Suite 350S, Great Neck, New York 11021

• 640 Broadway Owners LLC: Upon information and belief, maintains an address at 98 Cuttermill Road, Great Neck, New York 11021.

As the above list evidences, all but two of the Winhaven Defendants share the business address of 98 Cuttermill Road with defendant Sheldon M. Ganz, C.P.A., P.C. The two remaining Winhaven Defendants' share addresses at 7 Wellington Road, which was Winston's residential address from the Fall of 2000 until he and his family moved into 59 Cornwells Beach Road in or about 2006. Upon information and belief, there may be additional Winhaven entities or entities associated with Winhaven through which Winston and Ganz also conducted transactions in furtherance of the Winhaven Fraud.

22. Relief defendant 513 Central Park LLC is a limited liability corporation incorporated under the laws of the State of New York. Upon information and belief, Winston was responsible for the formation of 513 Central Park LLC and caused it to purchase an apartment at the Plaza Hotel in Manhattan, specifically located at 768 Fifth Avenue, Apartment 513, New York, New York 10019 (the "Plaza Apartment"). 513 Central Park LLC currently owns the Plaza Apartment as its only asset. Upon information and belief, the market value of the Plaza Apartment exceeds \$10,000,000 and, upon further information and belief, Winston fraudulently obtained a mortgage on the Plaza Apartment in the amount of approximately \$2,200,000. Upon information and belief, Winston used funds procured through the Winhaven Fraud to purchase the Plaza Apartment. Upon information and belief, Winston associated his wife, Eve, with 513 Central Park LLC to avoid reporting the Plaza Apartment asset to the federal government.

### **FACTUAL ALLEGATIONS**

### I. Annette Built A Life In The United States

- 23. Annette was born in Leipzig, East Germany on June 24, 1946. Culturally and generationally, Annette's parents held the belief that their son would become educated in business and their daughter would marry and bear children. Indeed, it was frowned upon for women to have any business knowledge, and for women to take any part in what was considered men's business. Accordingly, Annette's parents emphasized the importance of arts and culture, and ensured that Annette received an education limited, for the most part, to art and culinary skills.
- 24. Annette met Edward Strausman ("Strausman") from Great Neck, New York in 1971 on trip to Italy with her parents. Strausman owned and operated a highly successful real estate construction and development company known as Strausman Construction. In 1973, Annette relocated with Strausman to New York, after which they married in 1974 and raised raise their three daughters.<sup>4</sup> Annette became a citizen of the United States in 1984.
- 25. During the years of their marriage, Annette was never employed, and she never took any part in managing the family finances. She focused solely on raising her three daughters and participating in activities with her temple in Great Neck.
- 26. In September of 1984, Annette and Strausman divorced. Annette received a generous financial settlement as a result of the divorce.
- 27. Nearly eight years later in April 1992, Annette married Martin Lorber of Great Neck, New York ("Lorber" or, Annette and Martin collectively, the "Lorbers"). Lorber was a successful and influential business man who owned and operated WorldWide

<sup>&</sup>lt;sup>4</sup> Annette's eldest daughter is from a previous marriage and was adopted by Strausman.

Footwear, Inc. (previously defined as "WorldWide"). WorldWide manufactured and distributed beach footwear and slippers to North American retailers, including J.C. Penney, Target, and Bed Bath & Beyond.

28. In 1999, the Lorbers established their residence at 59 Cornwells Beach Road in Sands Point, New York.

### II. Winston Joined Annette's Family And Endeared Himself To Annette

- 29. In or around January of 1999, Winston began dating Annette's youngest daughter, Eve. At the time, Eve was merely twenty-two years old, and she was a naïve, impressionable and vulnerable young woman.
- 30. Winston was a decade older than Eve; an extraordinarily charming man who "wined and dined" Eve in the truest sense of the expression. Winston promised Eve that her care and well-being was first and foremost among his priorities.
- 31. In April of 2000, Eve and Winston eloped and were married by a boat captain in Florida. Only five months later, Eve gave birth to their first of three daughters.
- 32. Throughout their courtship and marriage, Winston made every effort to impress and endear himself to Annette, Martin Lorber, and Annette's former husband Edward Strausman, in addition to other extended family. For example, Winston insisted upon accompanying Annette on a pilgrimage to Israel where in a heroic display of affection he climbed with her to the top of Masada, the majestic desert fortress overlooking the Dead Sea, and professed that they were now bonded to one another, and that he would eternally love her as if she were his own mother. From that moment, Winston always referred to Annette as "mom."
  - 33. Importantly, Annette thought of Winston as her own son as well.

### III. Annette And Martin Lorber Took Out A Line Of Credit With HSBC Bank

- 34. Throughout the course of the Lorbers' marriage, Lorber determined how he and Annette would invest their assets, with regard to both their marital assets and assets that Annette inherited from her father or received from her previous marriage. In 1999, Lorber opened several securities accounts for Annette with HSBC Securities, notably two securities accounts containing primarily bond investments (the "Securities Accounts"). Lorber and Kevin Neville ("Neville"), the registered representative with HSBC Securities, together determined the investment strategies for Annette's Securities Accounts.
- 35. In the same year, Lorber determined that WorldWide would benefit from access to a revolving credit facility to meet some of the challenges of an increasingly global marketplace. Accordingly, in or around September 1999, the Lorbers entered into an agreement with HSBC Bank pursuant to which HSBC Bank extended a line of credit to the Lorbers as co-borrowers for the amount of \$5,500,000 (the "Credit Line").
- 36. The Credit Line was a revolving credit facility utilized periodically by Lorber in connection with WorldWide. Credit Line advances taken by Lorber were always timely repaid, and the Credit Line was never drawn to its maximum while used by Lorber. Despite being a co-borrower on the Credit Line, Annette never advanced or used funds from the Credit Line.
- 37. The Credit Line was secured by a note pursuant to which the Lorbers promised to repay, on demand or at the expiration of one year, the amount of any advances under the Credit Line (the "Note"). Attached hereto as Exhibit B is a true and correct copy of the original agreement from 1999 evidencing the Credit Line and Note (the "Credit Line Agreement").

- 38. The Credit Line and Note were secured by one of Annette's Securities Accounts held by HSBC Securities, which contained primarily bonds worth approximately \$8,000,000.00 at the time (the "Collateral Account").
- 39. When the Lorbers secured the Credit Line with HSBC Bank in 1999, Ray Finken ("Finken") was the relationship manager at HSBC Bank who was responsible for the Lorbers' Credit Line and all related account activity. Upon information and belief, Finken oversaw the Credit Line until his departure from HSBC Bank sometime in 2009.

# IV. Winston Was Investigated And Arrested For Securities Fraud, Wire Fraud, Mail Fraud And Money Laundering

- 40. Upon information and belief, sometime during the year 2000 Winston learned that his brokerage firm, First United, and many First United principals and employees were under investigation by the United States Attorneys' Office for the Eastern District of New York ("USAO" and "EDNY," respectively) and the Federal Bureau of Investigation ("FBI") for securities fraud, money laundering, and other related criminal activity.
- 41. Winston was arrested in March 2001 pursuant to an indictment that detailed, among other crimes, "high pressure and deceptive" conduct in connection with purchasing and selling securities to benefit positions Winston held under nominees, "threatening individuals with bodily harm," and making "materially false and misleading statements" to unwitting investors to induce them to purchase or sell securities. <sup>5</sup>
- 42. Following Winston's arrest in March of 2001 and the related freezing of his assets, his bail in the amount of \$1,000,000 was posted by Eve's father, Edward Strausman. Upon further information and belief, Winston improperly used funds from

<sup>&</sup>lt;sup>5</sup> When Winston was operating First United, he made numerous trips to Switzerland and Lichtenstein. Upon information and belief, Winston holds assets in those jurisdictions, and possibly in others.

Eve's Trust Account to pay for his legal fees in connection with his Probation Memo years later.

- 43. Despite his arrest and a damning forty-nine count indictment, Winston implored Eve, Annette and the rest of the family to believe that the case against him was unjust. Winston told them that he was, himself, a victim of his business partners' fraud, and that he was wrongly going to lose his ability to work in the securities industry. "Look at what they did to me," Winston used to say to Annette and Eve. Sadly, Annette and Eve believed Winston's lies.
- 44. Winston was finally sentenced in May 2005 to ten years of probation and ordered to pay restitution in the amount of \$108,988,825.50. He was also barred for life from the securities industry.
- 45. Importantly, Winston falsely represented to Annette that he was "freed" and "released" from the charged crimes because his friends and business associates were the cause of all the criminal activity and he was unjustly caught in the fray. Winston also told Annette that the FBI was so "impressed" with him that the agents asked him to teach FBI courses on how to ferret out and ultimately catch financial criminals.
- 46. Because Annette was and is unaccustomed to the American justice system, and because English is her second language, she understood the probationary portion of Winston's criminal judgment to be a warning rather than a punishment. Annette was wholly unaware of Winston's enormous restitution order until the Fall of 2011. At no time did Annette understand the severity of Winston's criminal judgment, nor did she understand that he would attempt to hide assets using nominees because of the restitution order.

### V. Winston Manipulatively Positioned Himself To Manage Annette's Finances

- 47. In August 2002, Annette's husband, Martin Lorber, was diagnosed with stage-four lung cancer. Lorber was immediately placed on an aggressive regime of chemotherapy and radiation, though even with treatment his prognosis gave him only one year to live. Midway through his relentless treatment cycle, Lorber was forced to relinquish the operation of WorldWide to his daughter, Stephanie, and his financial advisor, Martin Berger.
- 48. From shortly after Lorber's diagnosis in August 2002 until he passed away on August 13, 2003, Lorber required Annette's full-time care. Annette abandoned all other activities in her life to tend to Lorber during the year of his illness. Consequently, his death left Annette both emotionally and physically exhausted. Lorber's death also left Annette with a complex state of affairs to sort through in settling his estate complicated further by Annette's lack of knowledge or involvement in WorldWide or the Lorbers' finances in the years prior.
- 49. Annette's personal troubles worsened when, one month after Lorber died, Annette's mother in Munich needed emergency hip surgery, after which she would require full-time care during her recovery. Annette was the only person in her family capable of devoting the required amount of time to her mother's care, and so she determined she would go to Munich for one month, and then return frequently thereafter.
- 50. In witnessing the physical, emotional and mental depletion Annette was experiencing, Winston saw the opportunity for which he had been waiting to reap the benefits of his marriage to Eve and his years spent charming her family.

- 51. Winston comforted Annette and told her how much he loved her. He told her not to worry about anything in New York; he told her to go to Munich to care for her mother, and he would "take care of everything."
- 52. Indeed, Winston offered to manage all of Annette's finances, which included ensuring that her bills were paid and that her checking account and Securities Accounts were in good order. Winston further offered to manage her household affairs, including keeping an eye on Annette's large home while she was away and collecting her mail. Finally, Winston offered to oversee the winding down and dissolution of WorldWide, in addition to other of Martin Lorber's affairs. All too conveniently, Winston's offers of "assistance" granted him unfettered access to Annette's personal and financial information, and to the banking relationships established through WorldWide.
- 53. Annette trusted and relied on Winston. He assured her that he, unlike any professionals she may hire for assistance, truly had her best interests at heart. Winston also assured Annette that Ganz would keep a watchful eye on her accounts so that he could provide the best possible tax advice. In response to Winston's seemingly-kind offer, Annette permitted him to have access to her account statements, brokerage statements and taxes, among other personal information. At the time, Annette was so relieved to have someone to manage her affairs while she spent significant time in Munich caring for her ailing mother.
- 54. Upon information and belief, between the Fall of 2003 and Winter of 2004, Winston also gained access to account statements, tax and banking information from the WorldWide office under the guise of winding down WorldWide, including the Credit Line account statements that were sent to the attention of Martin Lorber at WorldWide.

### VI. The Winhaven Enterprise

- 55. Upon information and belief, sometime in 2004, Winston established an organization known as Winhaven with the purpose of using nominees to purchase, develop and sell real estate while ensuring that any real estate assets held by Winhaven were disassociated from Winston's name. Upon information and belief, in achieving his purpose, Winston defrauded banks, lenders, institutional and individual investors, avoided tax liabilities, and disguised assets from the federal government that Winston *de facto* owned and operated, thereby perpetrating the Winhaven Fraud.
- 56. Upon information and belief, Winston's name does not appear in connection with any Winhaven transactions; however, Eve's name appears in connection with most, if not all, Winhaven transactions. Upon further information and belief, Eve was unaware of the use, or of the nature of the use of her name in connection with Winhaven. As alleged below with regard to Annette's signature, upon information and belief, Winston has also forged Eve's signature numerous times in connection with the Winhaven Fraud.
- 57. Upon information and belief, Winhaven currently owns and operates numerous properties, including the Westhampton Beach Plaza strip mall, a large residential development known as the Fields at Mattituck, a mixed-use building at 640 Broadway in Manhattan, and others.
- 58. Upon information and belief, Winston and Ganz have enabled Winhaven to purchase these properties by providing false or materially misleading information to lenders, banks, institutional and individual investors, and agencies of the federal government, including but not limited to the Internal Revenue Service and the Department of Justice.

- 59. Upon information and belief, the Winhaven Fraud has caused widespread damage to the various victims alleged above. For purposes of this Complaint, however, the focus is on one aspect of the Winhaven Fraud an unfortunate familial betrayal. Specifically, Winston used Annette and Eve as nominees based on the industry reputation of Annette's former husband and Eve's father, Edward Strausman. Winston fraudulently used Annette's and Eve's assets to support the Winhaven Fraud. Winston, together with Ganz and Tehrani, made use of Annette's and Eve's assets primarily by forging or fraudulently obtaining their signatures on many various documents.
- 60. Winston incorporated the first of many Winhaven entities Winhaven Associates LLC in September 2004.
- 61. Upon information and belief, Winston caused his wife, Eve, to be the principal associated with Winhaven Associates LLC to avoid any connection between his own name and any assets eventually held by Winhaven. Winston listed his home address of 7 Wellington Road in Mattinecock, New York in the Articles of Association for Winhaven Associates LLC. Upon information and belief, the Winstons' home was also held in Eve's name or in the name of a corporate entity.
- 62. Over the next several years, Winston formed over 15 different Winhaven entities those defendants collectively referred to herein as "Winhaven" to pursue various real estate ventures. Upon information and belief, Winston formed these many Winhaven entities to facilitate the transferring of funds between bank accounts associated with these entities, and to provide a corporate cover for his real estate holdings.
- 63. Winston falsely represented to institutional and individual investors, lenders
  and indeed to HSBC representatives overseeing Annette's accounts that Eve Winston

was a real estate developer and that, together, the Winstons were carrying on "a long history of real estate development in the Long Island and New York area started by Edward Strausman," with Eve now at the helm. The Jonathan Winston Organization website, which touts the Strausman family legacy, is available at http://jonathanwinston.org.

- 64. To the contrary, Eve has no experience with and no knowledge concerning real estate development. Eve studied acting for a short time at Marymount Manhattan College and Lee Strasberg Theatre & Film Institute, but she did not obtain a degree. And, of course, Eve was married and pregnant by the time she was 23 years old, and had turned her focus toward caring for her husband and family.
- 65. During the years during Winhaven has served as Winston's enterprise vehicle, Winston verbally and, at times, physically abused Eve until she was a broken spirit. With Eve totally in his control, Winston threatened her into attending investor meetings and signing documents she did not understand in connection with various real estate deals.
- 66. Upon information and belief, Winston forged Eve's signature on numerous documents in connection with real estate deals conducted through Winhaven; including forged mortgage documents relating to the Plaza Apartment, and forged agreements relating to a financing deal with M&T Bank, which, upon information and belief, recently provided a portion of the financing for Winston to purchase for \$32.5 Million the building known as 640 Broadway in Manhattan.
- 67. At all times, and despite the fact that Winston used Eve as a nominee, Winston controlled Winhaven and any and all of its assets.

## VII. Winston, Conspired With Ganz And Tehrani To Steal Funds From Annette's Credit Line To Support The Winhaven Fraud

- 68. Familiar with bank fraud, wire fraud and mail fraud from his involvement in the First United scheme, Winston knew that he needed various "insiders" to carry out the Winhaven Fraud. For his dishonest purposes, Winston recruited Ganz and Tehrani.
- 69. Upon information and belief, Winston and Ganz have maintained a friendship for approximately fifteen years, including during their respective times of hardship when Ganz filed for bankruptcy and Winston was indicted for securities fraud. Winston was aware that Ganz operated his own accounting practice from an office at 98 Cuttermill Road in Great Neck, New York. Upon information and belief, sometime between Winston's arrest in 2001 and the Fall of 2004, Winston began keeping a desk in Ganz's office, and he worked there frequently.
- 70. Upon further information and belief, in or about the Fall or Winter of 2004

   at the same time the first of the Winhaven entities was established Winston leased his

  own office space for Winhaven at 98 Cuttermill Road, directly next to Ganz.
- 71. Upon information and belief, Winston had reason to know that Ganz would participate in the Winhaven Fraud by: (1) lending the perceived credibility of an accountant to Winston's business; (2) serving as an accountant and trustee for Annette in order to provide Winston with access to Annette's personal and financial information; and (3) preparing and filing tax returns and related information for Winhaven, Winston, Annette and other entities in a manner that would assist in masking the Winhaven Fraud.
- 72. Sometime in 2004, Winston convinced Annette to abandon her former accountant and retain Ganz as her sole accountant. Further, Winston convinced Annette to appoint Ganz as the sole trustee for her daughters' trust accounts, and eventually for the

trust accounts for her three granddaughters – Winston's children. Upon information and belief, Winston used Ganz's position as trustee to tap the funds in his own daughters' trust accounts to support the Winhaven Fraud.

- 73. Significantly, Winston also told Annette that Ganz was a "genius accountant" who would aid Winston in the winding down and dissolution of WorldWide.
- 74. With Ganz serving in a broad capacity as essentially the family business advisor, Ganz, and Winston had unlimited access to personal and financial information for Annette and WorldWide.
- 75. Upon information and belief, Winston also had a past relationship with Tehrani. Winston knew Tehrani from her position as a teller at a North Fork Bank branch in Great Neck near the Winhaven office. Upon further information and belief, Winston maintained Winhaven bank accounts at North Fork Bank and Tehrani dealt frequently with Winston in connection with his banking activities.
- 76. Upon information and belief, Winston plucked Tehrani from her position at North Fork Bank in or around the Spring of 2005 and hired her to work as his personal assistant in the Winhaven office where importantly Tehrani also worked closely with Ganz. Ganz also hired Tehrani's best friend as his own personal assistant
- 77. Upon information and belief, Winston had reason to believe that Tehrani would participate in the Winhaven Fraud by providing back-office support and using her intimate knowledge of retail banking to manipulate Annette's accounts at HSBC and the accounts of others at different banking institutions.
- 78. With Tehrani serving as a liaison between Winston and Ganz, Tehrani also had unfettered access to Annette's personal and financial information.

# VIII. Winston, Ganz And Tehrani Fraudulently Advanced Funds From Annette's Credit Line With HSBC Bank And Wired The Funds Through Winhaven Bank Accounts

- 79. Sometime in early 2006, Winston told Annette that he was ready to refocus his energy, get back on his feet and find a new career path now that the First United case was behind him. In that spirit, he asked Annette for a loan to help him in his efforts to purchase, develop and sell real estate. Winston told Annette that he was going to be "bigger than Donald Trump."
- 80. Specifically, Winston asked Annette for a loan in the amount of \$6,000,000 to help him purchase through Winhaven a luxury residential development site known as The Fields at Mattituck on the North Fork of Long Island.
- 81. Winston promised Annette that her loan would be repaid within six (6) months to one (1) year, and in consideration, Annette would receive a twenty-five percent ownership interest in all of his real estate holdings as a "thank you" for helping him to get back on his feet. Winston confirmed to Annette that she would receive a twenty-five percent interest in his real estate holdings at the law offices of Hahn & Hessen, when Annette was drafting her testamentary will.
- 82. When Annette asked Winston how he would like to effectuate the loan, Winston encouraged Annette to lend him the money from her Credit Line. Winston explained to Annette that the Credit Line was the easiest and safest way for her to lend him the money because accessing the Credit Line would not affect Annette's liquidity or cash flow, and the securities that served as collateral for the Credit Line would continue to pay the interest that provided Annette a woman in her early sixties at the time with her primary source of monthly income.

- 83. Annette wanted to help her son-in-law, whom she thought had been such an invaluable help to her. Annette agreed to lend Winston the money based on his promise that he would repay the entire amount within a period of six (6) months to one (1) year, and grant her a twenty-five percent ownership interest in his real estate holdings.
- 84. At the time Annette agreed to loan Winston money from her Credit Line, she was wholly unaware that Winston had already manipulatively gained control of the Credit Line under the guise of winding down WorldWide.
- 85. Indeed, by the Spring of 2006 when Winston asked Annette for a loan, Winston with the help of Ganz had already advanced approximately \$2,500,000 from Annette's Credit Line beginning in June 2004, without Annette's knowledge and without her permission.
- 86. Upon information and belief, Winston and Ganz decided to cover their tracks in 2006 because: (1) they knew they could take advantage of Annette's generosity and naïveté to disguise their fraudulent activities as a legitimate loan, in part to prevent Annette from discovering the abuse of her Credit Line; and (2) they understood that they could manipulate taxes and financial information for Annette, Winhaven and Winston to disguise the fraudulent advances and to disguise the Winhaven Fraud.
- 87. A Loan History Report for the Credit Line dated April 28, 2012 demonstrates that, during the time period between Martin Lorber's death in August 2003 and June 2, 2011, seventeen advances were taken from the Credit Line. A true and correct copy of the Loan History Report dated April 28, 2012 is attached hereto as Exhibit C.
  - 88. The seventeen advances that occurred after Lorber's death are as follows:
    - a. \$239,001.31, loan no. 994-09-8535-2; made on June 1, 2004
    - b. \$250,000.00, loan no. 994-10-2952-3; made on August 16, 2004

- c. \$300,000.00, loan no. 994-10-5381-2; made on September 23, 2004
- d. \$242,881.54, loan no. 994-10-5824-1; made on October 4, 2004
- e. \$370,000.00, loan no. 994-10-5909-0; made on October 6, 2004
- f. \$250,000.00, loan no. 994-12-5098-8; made on August 11, 2005
- g. \$500,000.00, loan no. 994-12-6326-2; made on August 30, 2005
- h. \$250,000.00, loan no. 994-12-8021-7; made on September 29, 2005
- i. \$800,000.00, loan no. 994-14-0043-5; made on April 13, 2006
- j. \$3,500,000.00, loan no. 994-14-7023-0; made on July 20, 2006
- k. \$500,000.00, loan no. 994-15-8937-7; made on February 9, 2007
- 1. \$1,500,000.00, loan no. 994-16-1729-3; made on April 3, 2007
- m. \$295,183.74, loan no. 994-16-1730-1; made on April 3, 2007
- n. \$500,000.00, loan no. 994-14-7023-0; made on February 28, 2008
- o. \$500,000.00, loan no. 994-22-9803-6; made on May 27, 2011
- p. \$355,000.00; loan no. 994-22-9924-0; made on May 31, 2011
- q. \$40,000.00, loan no. 994-22-9922-4; made on June 2, 2011
- 89. Annette has been the sole borrower on the Credit Line since Lorber's death in August 2003; however, Annette has never not once advanced funds from the Credit Line for her own use.
- 90. Upon information and belief, each of the above-listed advances was taken by Winston with the assistance of Ganz, Tehrani and Finken. Upon further information and belief, each advance was taken without Annette's knowledge or permission, either by forging Annette's signature, or by obtaining her signature through fraud and deceit.
- 91. While many of the above-enumerated advances appear to have been repaid, the following advances remain outstanding to date:<sup>6</sup>

<sup>&</sup>lt;sup>6</sup> These advances appear to have been assigned new loan numbers when Givelechian and HSBC Bank finally removed Martin Lorber's name from the Credit Line in November 2011 – <u>eight years</u> after his death – and only after Annette made HSBC Bank aware that she had not been receiving Credit Line account statements and that she believed there to be odd activity in the account

- a. \$4,000,000.00, loan no. 994-23-4543-1; former loan no. 994-14-7023-0; advanced in two stages on July 20, 2006 and February 28, 2008;
- b. \$1,500,000.00, loan no. 994-23-4546-4; former loan no. 994-16-1729-3; advanced on April 3, 2007;
- c. \$500,000.00, loan no. 994-23-4547-2; former loan no. 994-22-9803-6; advanced on May 27, 2011;
- d. \$355,000.00, loan no. 994-23-4548-0; former loan no. 994-22-9924-0; advanced on May 31, 2011; and
- e. \$40,000.00, loan no. 994-23-4603-3; former loan no. 994-22-9922-4; advanced on June 2, 2011.
- 92. Thus, Annette's Credit Line is presently drawn nearly to its maximum, with a total outstanding principal debt of \$6,395,000 of the \$6,500,000 available, plus interest and penalties. The monthly interest payments on the total debt are approximately \$16,000.00.
- 93. Upon information and belief, the seventeen advances from the Credit Line between June 1, 2004 and June 2, 2011 were fraudulently taken by Winston to support the Winhaven Fraud. Upon further information and belief, Winston was assisted at various times during that period by Ganz, Tehrani or Finken, or any combination of the three.
- 94. Upon information and belief, in the Fall of 2003, Winston used his role in winding down WorldWide to gain access to the Credit Line account statements that were sent to Martin Lorber at the WorldWide office in Valley Stream.
- 95. Upon information and belief, between the Fall of 2003 and Spring of 2004, Winston developed a relationship with Finken at HSBC Bank under the guise of paying down any outstanding advances on the Credit Line as part of winding down WorldWide.
- 96. Upon information and belief, sometime between late 2003 and 2004, Winston directed Finken to reroute the Credit Line account statements from the

WorldWide office to the attention of Ganz at 98 Cuttermill Road, and Finken complied with Winston's direction without obtaining Annette's permission.

- 97. Upon information and belief, between June 1, 2004 and the Spring of 2006, Winston with the assistance at various times of Ganz, Tehrani, Finken, or all three effectuated approximately eight (8) advances from the Credit Line for a total of approximately \$2,401,882.85. Each of these advances was taken without Annette's knowledge or permission by unknown means.
- 98. Upon information and belief, between April 2006 and June 2011, Winston with the assistance at various times of Ganz, Tehrani, Finken, or all three effectuated approximately nine (9) more advances from the Credit Line for a total of approximately \$7,990,183.74. Upon further information and belief, Winston and his co-conspirators advanced these funds by forging Annette's signature on advance requests and other related documents, or by obtaining Annette's signature through fraud and deceit by misrepresenting the nature and purpose of the documents she was to sign.
- 99. Despite Annette's agreement in the Spring of 2006 to loan Winston money, Annette was wholly unaware that her Credit Line was continuously abused between June 2004 (indeed, prior to her agreement to lend Winston money) and June 2011.
- 100. Shockingly, when Annette asked HSBC Bank for documentation supporting each of the seventeen Credit Line advances, Cristina Givelechian ("Givelechian") from HSBC Bank who assumed responsibility for the Credit Line sometime after Finken's departure stated that she has no such documentation.
- 101. Givelechian was only able to provide copies of four documents: (1) the 2011 Credit Line renewal agreement (the "2011 Renewal") dated May 31, 2011; (2) the

accompanying Statement of Purpose for an Extension of Credit Secured by Margin Stock agreement dated May 31, 2011 (the "Stock Agreement"); and (3) three nearly-contemporaneous advance requests dated May 27, 2011 (two requests) and June 2, 2011 (the "2011 Advance Requests"). True and correct copies of the 2011 Renewal, the Stock Agreement and the 2011 Advance Requests are attached hereto collectively as Exhibit D.

- 102. Annette's signature was forged on the 2011 Renewal, the Stock Agreement and the 2011 Advance Requests (together, the "2011 Loan Documents"). Annette's signature was forged by cutting her true signature from another document, pasting the signature onto the 2011 Loan Documents, and photocopying the 2011 Loan Documents so that the signatures appear true.
- other documents that HSBC Bank was unable or unwilling to provide to be forgeries because: (1) Annette never signed the 2011 Loan Documents; (2) the placement of the signatures on the various pages is notably askance; (3) there is significant evidence of photocopying marks surrounding the signatures; and (4) the signatures on each of the 2011 Loan Documents appear to be the exact same signature used repeatedly. Importantly, when Annette confessed her belief to Eve concerning the forged signatures on the 2011 Loan Documents, Eve informed her that she had once seen Tehrani in the Winhaven office cutting, pasting and photocopying Annette's signature precisely in the manner suspected.
- 104. Givelechian also confirmed that she spoke and corresponded directly with Winston, Ganz, and Tehrani concerning the 2011 Loan Documents. Indeed, both Winston and Ganz contacted her in connection with the May 27, 2011 advance requests to inquire

about the availability of additional funds because the total amount of the advances they sought exceeded the available funds on the Credit Line.

- 105. Pursuant to requests made by Winston or Ganz, or both, to increase the Credit Line, Givelechian processed the 2011 Renewal and attendant increase with the understanding that additional funds would be advanced immediately following the increase. Givelechian confirmed that she received these instructions directly from Winston and Ganz, without authority from Annette. Upon information and belief, Tehrani copied, cut and pasted Annette's signature on the 2011 Loan Documents in order for Givelechian to process the 2011 Renewal and 2011 Advance Requests.
- 106. The funds from each of the 2011 Advance Requests were wired to accounts associated with Winhaven; specifically to account no. 020251513 belonging to Winhaven Realty LLC and account no. 020252641 belonging to Winhaven Development Corp.
- 107. Upon information and belief, and in addition to the forged 2011 Advance Requests, each of the advances from the Credit Line between June 2004 and June 2011 were extended based on documentation forged by Winston, Ganz or Tehrani, or a combination of all three, or were extended based on documentation bearing Annette's signature obtained through fraud and deceit by misrepresenting the nature and purpose of what she was asked to sign.
- 108. Upon information and belief, any documents relating to advances on the Credit Line that bear Annette's true signature were offered to her in blank form by Winston and Ganz in 2006 and 2007, and they misrepresented to Annette that such documents were "required by the bank" to "extend" Winston's time to repay Annette's original loan from 2006. Upon further information and belief, such documents were later

completed by Winston, Ganz or Tehrani with specific dollar amounts and fraudulently proffered to HSBC Bank to advance additional funds from the Credit Line.

- 109. Upon information and belief, Winston, Ganz and Tehrani caused payments of both interest and principal to be made in connection with advances from the Credit Line from June 2004 through at least June 2011 so that they could continue to abuse the Credit Line, and to prevent Annette from discovering their continuous and extensive use of the Credit Line.
- HSBC checking account no. 020248652. This checking account was not opened by Annette, though it bears her name. Upon information and belief, Winston opened the account in Annette's name without her knowledge in the Spring of 2007. Upon further information and belief, Winston opened the account through the Carle Place branch of HSBC Bank, where he had an established relationship with a personal banker named Jim Young.
- 111. Surprisingly, when Annette requested copies of the account-opening documents for account no. 020248652 on March 14, 2012, HSBC refused to provide such documentation, stating that it was against HSBC Bank policy to provide signature cards, even to the purported signatory.
- 112. Upon information and belief, the account-opening documents and signature card associated with account no. 020248652 do not bear Annette's true signature, or, her signature was obtained by Winston, Ganz or Tehrani through fraud and deceit by misrepresenting the nature and purpose of what she was asked to sign.

- 113. Winston stopped making regular interest payments on the Credit Line in or around the Summer and Fall of 2011 and into the Spring of 2012, causing damage to Annette's credit rating, incurring compounded interest debt on the Credit Line, and placing the securities in Annette's Collateral Account at risk of being seized by HSBC Bank to satisfy the delinquent Credit Line.
- 114. Indeed, HSBC Bank threatened several times in the Spring of 2012 to seize and sell the securities in the Collateral Account if payments on the Credit Line were not made.
- 115. In addition to forging Annette's signature and submitting forged or otherwise false documents to HSBC Bank to advance money from the Credit Line, Winston and Ganz advised Annette that she should never touch the securities in the Collateral Account.
- 116. From 2008 to 2010, Winston and Ganz advised Annette in connection with her will and with other inheritance plans for her children and grandchildren. Winston and Ganz advised Annette that she should leave the Collateral Account untouched so that it could grow, rather than divide the account into various trusts for her children and grandchildren as Annette wanted to do. Winston and Ganz falsely advised Annette that the nature of the investments in her Collateral Account was such that the investments would not provide the same growth and benefit if placed into several different accounts.
- 117. Upon information and belief, the true intent of Winston and Ganz was to ensure that sufficient collateral was available to support their fraudulent advanced from the Credit Line in furtherance of the Winhaven Fraud. Upon further information and belief,

Winston and Ganz were aware that any significant changes to the Collateral Account would have alerted Annette to the significant balance outstanding on the Credit Line.

- 118. Further, at times when Annette required additional money, Ganz advised her to sell securities in her IRA Account rather than her Collateral Account because the tax consequences from withdrawing funds from the Collateral Account would be significant.
- 119. Upon information and belief, Ganz knowingly misrepresented the consequences of withdrawing funds from Annette's IRA Account versus her Collateral Account, and, in reality, the consequences of withdrawing funds from her IRA Account were much worse. For example, in connection with her 2011 tax returns, Annette was forced to pay \$109,801 in taxes relating to withdrawals from her IRA Account based on the advice she received from Ganz.
- 120. Upon information and belief, Ganz misrepresented the true tax consequences of withdrawing funds from the IRA Account versus the Collateral Account because he was protecting the Collateral Account for the benefit of Winston and the Winhaven Fraud.
- 121. Upon information and belief, Ganz had been masking any tax consequences relating to withdrawals from Annette's IRA Account prior to 2011 by offsetting those tax liabilities with business losses claimed in connection with his and Winston's fraudulent activities concerning WorldWide and Amphitrite.

### IX. Eva Tehrani Was Responsible For Wiring Funds To Support The Winhayen Fraud

122. Winston used his wife, Eve, as a nominee in connection with the Winhaven Fraud and also assumed control of her bank accounts to serve his fraudulent purposes.

- 123. With control over Eve's accounts, Winston and Ganz instructed Tehrani to move funds among Eve's accounts, various Winhaven accounts, and Annette's accounts.
- 124. As early as June 2007, and possibly much earlier, Tehrani purported to operate with Eve's authority in sending e-mails to various representatives at HSBC Bank instructing HSBC Bank to transfer funds among various accounts.
- HSBC Bank to "journal from my [Eve's] personal checking account # 02025227 the amount of \$27,401.52 to Annette Lorber loan account # 020258674," and to "transfer from Winhaven Assoc. LLC account # 020252505 the amount of \$5,000 to Winhaven Dev. Corp. account # 020252641." Attached hereto as Exhibit E is the June 1, 2007 e-mail from Tehrani to Gloria Espenas at HSBC Bank.
- 126. Tehrani sent these e-mail instructions either from her own e-mail account with Winhaven etehrani@winhavengroup.net or through Eve's e-mail account with Winhaven ewinston@winhavengroup.net. Upon information and belief, Eve never had access to the Winhaven e-mail account in her name, and was not aware that it existed until recently. Attached hereto as Exhibit F is nearly one full year of such e-mail instructions from April 20, 2010 through March 31, 2011, Annette neither knew about nor authorized these transfers.
- 127. As demonstrated by the email instructions in Exhibit F, Tehrani communicated with numerous individuals from HSBC Bank, including Stephanie Bruno, Kathryn Laudati, Lourdes Mosquito, Givelechian and others to wire funds to and from the following accounts:
  - i. Eve Winston's personal checking account;
  - ii. Annette Lorber's loan account (to pay the Credit Line);

- iii. Amphitrite LLC account;<sup>7</sup>
- iv. Winhaven Development account;
- v. Winhaven Realty account;
- vi. Winhaven Holdings account;
- vii. Winhaven Associates account;
- viii. Winhaven Boerum account;
  - ix. Winhaven Group account;
  - x. Winhaven Management account.
- 128. Annette was wholly unaware that Winston and Ganz were directing Tehrani to transfer funds among the above-enumerated accounts. Annette never gave Winston, Ganz or Tehrani permission to transfer funds in and out of her accounts for any purpose.
- 129. Indeed, the "loan account" in Annette's name to which Tehrani transferred funds to make payments on the Credit Line was opened by Winston without Annette's knowledge through Jim Young at the Carle Place branch of HSBC Bank.

### X. <u>HSBC Was Aware Of Winston's Activities In Connection With Annette's Credit Line and Egregiously Prevented Annette from Discovering the Fraud</u>

- 130. To be sure, Winston could not have abused Annette's finances to support the Winhaven Fraud without the complicity and negligence of HSBC Bank and HSBC Securities.
- 131. Specifically, HSBC Bank and HSBC Securities, through their representatives, were aware of or were willfully blind to the Winhaven Fraud. In addition, HSBC Bank's representatives failed to perform even a modicum of due diligence with regard to Winston, Ganz and even with regard to their client, Annette in order to ensure that Annette's accounts were handled reasonably.

<sup>&</sup>lt;sup>7</sup> Amphitrite LLC, as alleged in more detail below, is a limited liability company in Annette's name that owned a 75' yacht purchased by Winston and mortgaged in Annette's name.

Justice Department probe concerning "lax regulatory-compliance practices" that allowed HSBC Bank units to be used for money laundering purposes, in connection with which HSBC's Chief Executive acknowledged that "we failed to spot and deal with unacceptable' behavior." ### A. Finken Knew About Or Was Willfully Blind To The Winhaven Fraud

- 133. From the inception of the Credit Line in or around 1999, Finken was the relationship manager at HSBC Bank who oversaw the Credit Line and all related activity.
- Agreement with HSBC Bank. Finken also met with Martin Lorber several times over the next four years to discuss and renew the Credit Line. Accordingly, Finken was personally aware of who the Lorbers were, the purpose for which they took out the Credit Line, the manner in which payments toward the Credit Line were made, and the manner in which annual renewals of the Credit Line were effectuated.
- 135. Importantly, Finken was responsible for sending all account statements for the Credit Line to the attention of Martin Lorber at his WorldWide office in Merrick, New York.
  - 136. When Lorber died in August 2003, Finken attended Lorber's funeral.
- 137. Lorber's funeral was the last time Annette ever saw Finken. At no time after Lorber's death did Finken ever meet with Annette to discuss the future use or purpose of the Credit Line, even though Annette was then the sole borrower on the Credit Line and her Collateral Account secured the Credit Line.

- 138. As the Loan History Report, Exhibit C, demonstrates, payments continued to be made on Credit Line after Lorber's death in connection with advances Lorber took for WorldWide. However, despite the fact that WorldWide was on its way toward dissolution, additional advances began to be taken from the Credit Line in June 2004.
- 139. Upon information and belief, Finken was aware of the continued activity on the Credit Line following Lorber's death because he was responsible for receiving and processing any advance requests in connection with the Credit Line.
- 140. Upon information and belief, Finken communicated solely with Winston and Ganz about the Credit Line from the time Lorber died until Finken left HSBC Bank.
- 141. Upon information and belief, Finken acted without Annette's permission in allowing and indeed assisting Winston to advance funds from Annette's Credit Line to support the real estate activities that were the objective of the Winhaven Fraud.
- 142. At some point in time following Lorber's death in August of 2003, the Credit Line account statements were re-routed from the WorldWide office at 1745 Merrick Avenue in Merrick, New York to Ganz's office at 98 Cuttermill Road in Great Neck. However, the account statements were still addressed to the attention of Martin Lorber, care of Ganz. The account statements remained addressed in this fashion until Annette discovered the Winhaven Fraud in the Fall of 2011.
- 143. Finken was responsible for overseeing the Credit Line, and for ensuring that Credit Line account statements were sent to the attention of the borrower at the correct address. Finken, acting with full knowledge of Lorber's death in August 2003: (1) never met with the remaining borrower on the Credit Line Annette to determine its future use; (2) allowed Winston to continue making payments on and drawing advances from the

Credit Line without Annette's permission; (3) allowed Winston to change the address to where Credit Line account statements were sent without Annette's permission; and (4) continued disseminating Credit Line account statements in the name of a dead man to an unapproved recipient – Ganz – until Annette discovered the Winhaven Fraud in Fall 2011.

- 144. What is particularly egregious about Finken's handling of the Credit Line is that Annette having never received Credit Line account statements in the past never knew what she was missing when she failed to receive Credit Line account statements after Lorber's death. The abject failure on the part of Finken and HSBC Bank to ensure that Annette received Credit Line account statements prevented Annette from becoming aware of the pattern of fraudulent activity in connection with the Credit Line.
- 145. Upon information and belief, Finken was aware that Winston and Ganz were fraudulently manipulating Annette's Credit Line, or Finken was willfully blind to the same. In any event, Finken should have been aware of the fraudulent use of the Credit Line, and even a scrap of due diligence something as simple as meeting with or calling Annette would have avoided years of fraudulent activity and damage to Annette.

#### B. Neville Knew About Or Was Willfully Blind To The Winhaven Fraud

- 146. Neville, on behalf of HSBC Securities, also prevented Annette from realizing that her Credit Line was being abused by Winston and Ganz.
- 147. Similarly to Finken, Neville met with the Lorbers in 1999 when they opened Annette's Securities Accounts with HSBC Securities. Since the inception of the Securities Accounts, Neville has been the registered representative responsible for the Securities Accounts, and those accounts have been non-discretionary. Until his death, the sole person with trading authority in the Securities Accounts was Martin Lorber.

- 148. Neville met with the Lorbers several times per year to discuss the status of the Securities Accounts. Accordingly, Neville was personally aware of who the Lorbers were, and their needs and wishes regarding Annette's Securities Accounts. Importantly, Neville was responsible for sending all account statements for the Securities Accounts to the attention of Annette Lorber at 59 Cornwells Road, and later to her current address at 3 Cedar Lane.
- 149. The Collateral Account statements that Neville sent to Annette never specified that the securities contained in the Collateral Account were specifically encumbered. Further, the Collateral Account statements never specified what percentage of the securities was pledged to the corresponding outstanding balance on the Credit Line. When Annette received her Collateral Account statements and saw that nothing had substantially changed with regard to the value, Annette relied on those statements in believing that the Collateral Account was unencumbered and therefore safe.
- 150. In addition, Neville permitted Winston and Ganz to trade in Annette's Securities Accounts. Attached hereto as Exhibit G is a copy of a fax from Neville to Winston and Ganz dated November 9, 2005 attaching a list of securities in Annette's IRA and Collateral Accounts, and asking for their review and discussion concerning the investments.
- 151. Annette never gave permission for Ganz, Winston or anyone else to trade in her Securities Accounts.
  - 152. After Lorber died, Neville would meet several times per year with Winston.
- 153. At these annual meetings, Winston and Neville would discuss trading strategies and securities picks. Neville would always have available Annette's Collateral

Account statement, which detailed the allocation of securities in Annette's Collateral Account – but failed to note that the securities were, in fact, encumbered.

- 154. At no time when Winston and Neville were reviewing Annette's investments and discussing further investment strategies did Neville ever inform Annette of the percentage or value of her Collateral Account that was encumbered by advances on the Credit Line, and therefore at risk. In this regard, Neville omitted material information with respect to Annette's Collateral Account that would have, at a minimum, affected her investment choices and, more importantly, made her aware of the fraudulent activity relating to her Securities Accounts and Credit Line.
- 155. Further, in all the meetings during which Neville discussed investment strategies with Winston on behalf of Annette, Neville was discussing such strategies with a convicted felon barred from associating with a broker-dealer, which information is publicly available.
- 156. At some time after becoming her accountant in 2004, Ganz told Annette that he needed online access to her Securities Accounts for unspecified "tax purposes." Upon information and belief, Ganz and Winston accessed Annette's Securities Accounts online to ensure that the Collateral Account was sufficient to support their continuous fraudulent advances from the Credit Line.
- 157. Neville sent materially misleading Collateral Account statements to Annette. He allowed unauthorized individuals to trade in her Securities Accounts. What is more, Neville discussed and accepted trade orders for Annette's Securities Accounts from Winston and Ganz neither of whom were authorized to trade in Annette's Securities Accounts.

158. Upon information and belief, Neville was aware of the advances taken from the Credit Line because Finken and Givelechian would communicate with Neville concerning the collateral available to secure the Credit Line. Upon further information and belief, Neville was aware that Winston – not Annette – was advancing funds from the Credit Line.

# C. <u>Givelechian's Utter Lack Of Due Diligence Exacerbated The</u> <u>Damage Caused By The Winhaven Fraud</u>

- 159. When Givelechian assumed responsibility for Annette's Credit Line in 2009, she was not aware of the fraud she inherited. However, Givelechian failed to perform any due diligence whatsoever with regard to the Credit Line.
- 160. Givelechian has never not to this day met Annette. Yet Givelechian permitted advances on and extensions of Annette's Credit Line based on representations made by Winston and Ganz. Indeed, when Givelechian assumed control of the Credit Line, her introductory meeting was with Winston and Ganz, along with Eve, whom Winston forced to attend.
- represented to Givelechian that they were part of a "family" real estate development company, and that Annette permitted the use of her Credit Line to support the family's real estate ventures. Givelechian presumed without any documentation or authorization from Annette that this was simply the manner in which the family conducted business, and so she went along with what she was told. Givelechian admitted that, in her correspondence with Tehrani regarding advances and wire transfers, she believed that Tehrani was Eve Winston.

- 162. Despite Winston's representations, and despite Givelechian's knowledge that Martin Lorber died in 2003, Givelechian continued to maintain the Credit Line in Lorber's name and send account statements in Lorber's name care of Ganz.
- 163. Givelechian's failure to handle Annette's Credit Line in a reasonable manner exacerbated the damage that began with Finken's knowing participation in Winston's scheme, and caused Annette's Credit Line to be drawn to its maximum. However, when Givelechian stopped receiving interest payments and answers to her demands from Winston, Ganz and Tehrani, she came after Annette to collect payments and penalties owed. The first time Givelechian ever spoke with Annette was in the Fall of 2011 when several months' payments on the Credit Line were delinquent.

# XI. Winston And Ganz Victimized Annette In Numerous Other Ways In Connection With The Winhaven Fraud

# A. Winston Induced Annette To Loan Him \$500,000 To Post A Bond For Winhaven's Purchase Of 640 Broadway For \$32.5 Million

- 164. In or around June 2011, Winston approached Annette for a loan of \$500,000 to post as a bond in connection with Winhaven's purchase of the building located at 640 Broadway in Manhattan. Winston promised to repay the loan within two weeks, during which time Winston knew Annette would be travelling to Munich to settle the affairs of her recently-deceased mother. Winston again promised Annette a twenty-five percent ownership interest in 640 Broadway in exchange for the loan.
- 165. Annette who was unaware at the time that nearly her entire Credit Line had been advanced by Winston agreed to lend Winston the \$500,000 he requested.
- 166. To effectuate this loan, Winston instructed Neville at HSBC Securities to liquidate \$500,000 worth of bonds from Annette's uncollateralized Securities Account and

to transfer the proceeds to Winston. Winston represented that the \$500,000 would be returned in a period of two weeks, knowing that he never intended to repay the \$500,000.

- 167. Annette never gave Neville permission to liquidate the bonds or to transfer the proceeds to Winston.
- 168. Upon information and belief, the \$500,000 loan from Annette was used to post a bond required by M&T Bank and other parties in connection with Winhaven's purchase of 640 Broadway.
- 169. Upon further information and belief, this loan from Annette permitted Winston to continue with the financing process required for Winhaven purchase 640 Broadway, which included forging Eve's signature on various documents and providing false financial information to M&T Bank, to the seller and to other investors and financiers in connection with Winhaven's purchase of 640 Broadway.
  - 170. To date, Winston has not repaid the \$500,000 to Annette.

# B. Winston Purchased A Yacht In Annette's Name And Caused Annette To Be Liable On The Associated Mortgage

- 171. For the entire time Annette has known Winston, he owned a yacht on which he entertained friends, family, bankers, investors, and others that Winston was eager to impress. From approximately 2002 until 2008, Winston owned a yacht that he named in a nod to Annette's heritage the "Bavarian Lady."
- 172. Upon information and belief, Winston owned the Bavarian Lady in Annette's name. When he purchased the Bavarian Lady, Winston explained to Annette that he wished to remain "humble" and did not wish to own such flashy items in his name, and that the yacht was really for his family to enjoy.

- 173. In 2008, Winston informed Annette that he wanted to purchase a newer, bigger yacht. Winston told Annette that he would purchase the yacht through a company, and asked if he could associate Annette's name with the company so that he could continue to remain humbly disassociated from the yacht.
- 174. Ganz further explained to Annette that owning the yacht through a company would provide significant tax savings and other benefits for her. Indeed, Ganz was instrumental in convincing Annette that it was "safe" for her to serve as the sole member of Amphitrite LLC. To be sure, Annette had no understanding of the savings or benefits Ganz described.
- 175. Annette, knowing that her daughter Eve had always enjoyed time on the Winstons' yacht, agreed to be associated with the holding company for the yacht. Annette also agreed to act personally as a guarantor for the loan on the yacht based on Winston's representations that he had plenty of money to afford the boat, and that he would make the monthly payments "just like the previous arrangement." Winston said that he and Annette could make a "handshake deal."
- 176. In May of 2008, Winston formed Amphitrite LLC. In the Amphitrite LLC Limited Liability Company Agreement ("Amphitrite LLC Agreement"), Annette is named as the sole member. Not surprisingly, the address listed in the articles of association is 98 Cuttermill Road in Great Neck, New York, care of Sheldon Ganz.
- 177. Winston thereafter caused Amphitrite LLC to purchase a 75-foot 2008 Azimut yacht, Collateral Identification Number XAX75032F708, fully customized and lavishly decorated. The yacht was also called the Amphitrite, after the Greek sea goddess who was the wife of Poseidon (the "Amphitrite" or the "Boat").

- America in the amount of \$3,153,733 (the "Boat Loan"). The Boat Loan was extended to Amphitrite LLC, for which Annette is the sole member, and guaranteed by Annette personally via the Simple Interest Loan Note, Disclosure and Security Agreement dated May 21, 2008 (the "Boat Loan Agreement"). The accompanying Affidavit of State Execution and Delivery of Promissory Note evidencing the Boat Loan was also signed by Annette on May 21, 2008; however, the notarization of the document occurred outside Annette's presence, despite the notary's affidavit stating that Annette appeared in person. Upon information and belief, Winston has obtained numerous false notarizations on documents bearing Annette's signature. Attached hereto as Exhibit H is a copy of the Boat Loan Agreement and Notarization dated May 21, 2008.
- 179. When Annette signed the Boat Loan Agreement on May 21, 2008, she understood only that: (1) Winston would make the monthly payments; and (2) Ganz would ensure that Annette received the tax benefits and savings he had promised.
- 180. As the Boat Loan Agreement indicates, the monthly payment for the Boat Loan was approximately \$22,576.42. Upon information and belief, Winston opened a bank account at HSBC Bank in the name of Amphitrite LLC so that he could fund the account to make the monthly Boat Loan payments. Winston opened the Amphitrite LLC account without Annette's knowledge.
- 181. All account statements for Amphitrite LLC were sent to Ganz at 98 Cuttermill Road. Upon information and belief, Ganz was responsible for making, or directing Tehrani to make, the payments on the Boat Loan.

- 182. As alleged above, Tehrani transferred funds from Eve's checking account and various Winhaven accounts to the Amphitrite LLC account to make payments on the Boat Loan. Upon information and belief, certain funds used to make these payments originally came from the advances taken from Annette's Credit Line.
- 183. Winston, Ganz and Tehrani made the monthly payments on the Boat Loan from the Amphitrite LLC bank account until the Fall of 2011 when several payments were missed or rejected due to insufficient funds in the Amphitrite LLC account.
- 184. During the time that Winston, Ganz and Tehrani were making payments on the Boat Loan, they made many late payments and further allowed the Amphitrite LLC account to run consistently at a deficit, incurring many charges for late fees and insufficient account funds.
- 185. After the monthly payments on the Boat Loan went unpaid for several consecutive months in the Fall of 2011, Bank of America contacted Annette for payment.

  Annette could not afford to make the monthly Boat Loan payments, nor was she expected to make such payments per her agreement with Winston.
- 186. Bank of America exercised its right under the Boat Loan Agreement to repossess the Amphitrite in February 2012. Annette received notice of the repossession and intent to sell on February 27, 2012.
- 187. The balance on the Boat Loan at the time of repossession was approximately \$2,898,667.71. In an effort to save her credit rating and avoid the foreclosure process, Annette furiously began exploring the possibility of assuming the monthly payments and retaking possession of the Amphitrite with the hope of selling it herself for a higher price than what Bank of America may endeavor to obtain.

- 188. After determining that she there was no way for her to afford the monthly payments, and gathering research indicating that any sale of the Amphitrite would result in a significant deficiency in any event, Annette relinquished the Amphitrite and now awaits news of the deficiency total from Bank of America.
- 189. Bank of America estimated the deficiency on the Boat Loan following the sale of the Amphitrite to be over \$1,000,000.
- 190. In addition, Annette's credit has been severely blemished by the repossession and charge-off relating to the Boat Loan. Because of the charge-off relating to the Boat Loan reflected on Annette's credit, American Express revoked two credit cards that Annette has held for approximately ten years, despite the fact that she has never missed or been late with a payment.
- 191. In addition to the damages resulting from the repossession of the Amphitrite, there were unbeknownst to Annette financials and taxes prepared for Amphitrite LLC by Ganz, which have also been abandoned and left to accumulate debts.
- 192. Upon information and belief, Winston and Ganz manipulated Amphitrite LLC to run at a loss for tax purposes.
- 193. Further, Winston and Ganz failed to ensure that certain taxes were paid for Amphitrite LLC since the tax period ending June 30, 2010. Indeed, Annette recently received a Notice of Intent to Levy and Notice of Your Right to a Hearing from the Internal Revenue Service ("IRS") dated April 16, 2012 (the "IRS Notice"). The IRS Notice indicated that certain unpaid taxes in the amount of \$38,953.04 were outstanding for Amphitrite LLC. The IRS Notice further indicated that quarterly federal tax returns

and federal unemployment tax returns have not been filed for the period ending December 31, 2010 or anytime thereafter.

- 194. These past-due tax payments appear to concern employee-related taxes for the captain and first mate that Winston hired and employed on the Amphitrite through Amphitrite LLC. Annette also received a document from the IRS dated April 24, 2012, which indicated that Amphitrite LLC owed \$15,870 in employee trust-related taxes, such as FICA withholdings.
- 195. To avoid having liens taken against her home or apartment, Annette and her current accountant worked with the IRS to determine the outstanding taxes owed pursuant to the IRS Notice. On or around June 6, 2012, Annette wrote approximately fifteen checks payable to the IRS totally approximately \$62,111.640 in satisfaction of the IRS Notice. Such payment, however, does not include any penalties assessed by the IRS, which are still to be determined.
- 196. The outstanding taxes are especially surprising considering that Amphitrite LLC paid over \$80,000 in wages to the captain of the Amphitrite and his first mate. Upon information and belief, Amphitrite LLC employed the boat captain until the time the Amphitrite was repossessed in February 2012. Upon information and belief, the first mate, Elizabeth Hossfeld, went to work for Winston in the Manhattan office of Winhaven sometime in the past year. Upon further information and belief, salary and related taxes for these employees were withheld but not paid to the IRS.

### C. Winston And Ganz Falsely Represented To Annette That WorldWide Was Dissolved, But They Continued WorldWide As A Tax Cover

197. As previously alleged, Winston told Annette that he would oversee the winding down and dissolution of WorldWide as a favor to her, and that Ganz would assist.

- 198. Winston and Ganz represented to Annette that they sold the WorldWide office in Merrick, New York sometime in 2005. Winston and Ganz further represented to Annette that all inventory was disposed of, all accounts settled and that WorldWide was effectively closed sometime in 2006.
- 199. However, in the course of discovering that her Credit Line had been used to support the Winhaven Fraud, Annette discovered WorldWide tax returns prepared by Ganz for 2007, 2008 and 2009. The 2009 WorldWide tax returns, attached hereto as Exhibit I, indicate that WorldWide's business address was 98 Cuttermill Road, Suite 364 better known as Ganz's office.
- 200. Further, the 2009 WorldWide tax returns indicate that Annette is the sole shareholder of WorldWide, which was unknown to Annette. In addition, Annette's address is listed as 59 Cornwells Beach Road, though Annette no longer lived at that address in 2009. Indeed, Winston lived at 59 Cornwells Beach Road in 2009.
- 201. In substance, the 2009 WorldWide tax returns demonstrate that Ganz declared an ordinary business loss for WorldWide in 2009 in the amount of \$204,543, which loss was attributed to interest. The interest is attributed to liability line items listing a mortgage, note or bond payable within one year in the amount of \$1,825,080 and a shareholder loan in the amount of \$3,239,775 payable by year end.
- 202. Annette, as the sole shareholder, never extended any shareholder loans to WorldWide, which she believed had ceased operations and dissolved three years prior. Upon information and belief, Winston and Ganz declared the funds they fraudulently advanced from Annette's Credit Line as shareholder loans for WorldWide, and then deducted the interest as a business loss for WorldWide. Upon further information and

belief, none of the money fraudulently advanced from Annette's Credit Line went to WorldWide – which had no operating activity – but rather went to Winhaven to support the Winhaven Fraud.

- 203. In addition, and much to Annette's dismay, it appears that Ganz declared WorldWide's loss of \$204,543 on Annette's 2009 personal tax returns as a "non-passive loss" associated with WorldWide.
- 204. Annette never understood how to read or comprehend her tax returns, and she never realized that Ganz was declaring WorldWide losses long after she believed WorldWide to have been dissolved. Annette relied on Ganz to prepare her taxes accurately and truthfully and, until she discovered the Winhaven Fraud, never had reason to believe she could not rely on Ganz.
- 205. Upon information and belief, a tax lien was filed against WorldWide as recently as 2011. The nature of the tax lien is unknown to Annette. Upon further information and belief, WorldWide was finally dissolved by decree in January 2012 six years after Annette believed WorldWide to be dissolved based on representations made by Winston and Ganz.

### D. Winston Handled The Purchase Of Annette's Home And Apartment

- 206. In April of 2007, Winston purchased Annette's home at 59 Cornwells Beach Road in Sands Point, New York so that he could live there with Eve and their children. Winston purchased the home in Eve's name.
- 207. When Winston first approached Annette about purchasing 59 Cornwells Beach Road, he expressed his wish that Annette continue to live there with his family and that he would ultimately build her a smaller house on the same property. He explained that he wanted her under his roof because he loved her as his own mother and wanted to ensure

that she was cared for properly. Upon information and belief, Winston wanted to keep Annette within his control so that he could further manipulate her and her finances.

- 208. Annette and Winston came to an arrangement by which he would pay her only \$50,000 of the \$6,000,000 purchase price for 59 Cornwell's Beach Road until he could sell the Winstons' prior home at 7 Wellington Road. Two years went by without further payment and, upon information and belief, Winston failed to make a good faith effort to sell 7 Wellington Road, including by turning down several bona fide offers.
- 209. Finally, in 2009 when Annette learned that zoning would not permit her to build a smaller house on the 59 Cornwells Beach Road property, she determined that she could not live peacefully in the same house with three young children and should buy her own house nearby.
- 210. In early 2009, Annette purchased 3 Cedar Lane in Sands Point, New York, which is a very short distance from 59 Cornwells Beach Road. Winston, apologizing for the delay in payment for 59 Cornwells Beach Road, promised to pay for the purchase of 3 Cedar Lane on Annette's behalf to satisfy a portion of the purchase price for 59 Cornwells Beach Road.
- 211. In or around March 30, 2009, a fax purportedly from Eve Winston was sent to HSBC Bank instructing HSBC Bank to provide seven checks to various entities that constituted the sellers of 3 Cedar Lane. The March 30, 2009 fax purporting to be from Eve to HSBC Bank is attached hereto as Exhibit J.
- 212. Upon information and belief, the fax did not come from Eve, nor did she know that it was sent on her behalf. Indeed, the fax trail indicates that the fax was sent from Winhaven Group. Upon further information and belief, Winston used funds from

Eve's trust account and checking account to pay for the purchase of 3 Cedar Lane without Eve's permission and without Annette's knowledge.

- 213. In light of the movement of funds among Annette's Credit Line, Eve's checking account, and various Winhaven accounts, upon information and belief, Winston used funds from Annette's Credit Line to purchase 3 Cedar Lane on Annette's behalf.
- 214. Winston and Ganz also handled and paid for a portion of the July 2011 purchase of Annette's apartment in Manhattan, located at 900 Fifth Avenue, in further satisfaction of the purchase price for 59 Cornwells Beach Road.
- 215. Upon information and belief, the funds for the purchase of Annette's apartment in Manhattan came, at least in part, from Eve's trust account without Eve's knowledge. In light of the movement of funds among Annette's Credit Line, Eve's checking account, and various Winhaven accounts, upon information and belief, Winston misappropriated money from Annette's Credit Line to pay for a portion of the apartment.
- 216. To this day, Winston still owes Annette \$500,000 of the purchase price for 59 Cornwell's Beach Road

#### XII. Annette Discovered The Winhaven Fraud Through The Winstons' Divorce

- 217. In or around July 2011, Annette returned to New York after dealing with her mother's death in Munich. At that time, Annette asked Winston whether the \$500,000 bond she loaned to him for the purchase of 640 Broadway had been returned.
- 218. Annette also called Ganz to inquire about the loan. Upon information and belief, the call to Ganz incited a fight among Ganz, Winston and Eve because with Annette's Credit Line advanced to its maximum Winston was running out of time and money to close the deal on 640 Broadway.

- 219. Upon further information and belief, Winston had always had a violent streak, and had been verbally abusive to Eve for years. Around the time that Annette began inquiring about the repayment of the \$500,000 loan, Winston experienced an uptick in his violent outbursts. For this reason, among others, Eve began exploring the possibility of divorcing Winston.
- 220. Upon information and belief, the threat of divorce together with complications in Winston's intricately woven web of financial deceit caused Winston to cease making payments or to make significantly late payments on the Boat Loan and the Credit Line. Upon further information and belief, representatives from HSBC Bank and Bank of America were unable to reach Winston and were told by Ganz and Tehrani that Winston had forbidden Ganz and Tehrani from speaking with either bank.
- 221. In search of answers, Givelechian from HSBC Bank and various representatives from Bank of America began contacting Annette.
- 222. Annette, shocked to hear about the advances on her Credit Line, and dismayed to hear that payments were not being made on the Boat Loan, began her own investigation into the matter.
- 223. Over the course of the next several months, Annette learned that Winston, Ganz and Tehrani had abused her Credit Line by taking advances based on forged documents to support Winhaven's real estate activities, and fraudulently induced her to enter into the Boat Loan Agreement to allow Winston to maintain his façade as a successful real estate developer. Indeed, Eve informed Annette that she had seen Tehrani cutting, copying and pasting Annette's signature onto documents in the Winhaven office.

- 224. The family dynamic at play in this case caused Annette to tread lightly on these revelations for the sake of her daughter and granddaughters, who were still living in the same house with a volatile Winston. Annette continued to implore Winston to make good on his promise to pay the Boat Loan, to pay off the Credit Line, and to repay the \$500,000 bond loan, in hope of avoiding any harm to her daughter and granddaughters.
- 225. In response, Winston threatened Annette and Eve that, unless Annette and Eve stopped getting involved and allowed Winston to "handle things his way," he would never repay Annette.
- 226. These threats were made in the face of express admissions by Winston through manic text messages sent to Eve that he owes Annette significant sums of money that he fraudulently obtained in furtherance of the Winhaven Fraud. Attached hereto as Exhibit K are copies of text messages sent from Winston to Eve in early February 2012. In his text messages, Winston threatens and admits the following:
  - a. "What is so bad about ackkwoledging [sic] that <u>I am responsible and owe your mother money."</u>
  - b. "Have you ever once sat down and said, fuck the lawyers, I swear I Won't [sic] betray you, won't send does to anyone so govt can't get, won't hurt you, wjat can I do to help?"
  - c. "I am on the plane. Bad timing leaving now. I had to. I could not in good consciense [sic] let Ron wire me 17 million for a deal with the instability going on. . . . one transaction makes all this ugliness disappear forever. . . . When the deal was ready, you brought up criminal, and telling the kids and I freaked. I am sorry. I was working on closing 4 huge deals and out of the 50 million I was getting from Ron and a Beverly Hill s [sic] investor who I have known for 20 yrs. 50 was going in and another 20 was going to me upfront to clean up everything."
  - d. "Do you know what you have done with Info I have given you. Do you know what you have threatened me with. Do you know how it hurt my children that you wouldn't cooperate with me and help me close. People

<sup>&</sup>lt;sup>8</sup> The quotes from Exhibit K omit certain page number delineations for easier reading.

- are trying to help us and I have to worry what your capable of. I have had it with the hanging up and threatening me criminally . . . ."
- e. "If you go to lawyers, than you do. I am not begging you, you only want everyone to feel sorry for you. I am 10 times mor protect [sic] in a divorce than I am now. I will not pay boat, your mother or house or any other fucking cent. I will have the lawyers deal with everything . . ."
- f. "You want the money figured out and the kids told. All about you and your confidants planning how to proceed. Faxing emails and financial info to lawyers. Oh the same lawyers as your mother. No regard when I tell you this is not smart because of the government. Which by the way if we have a public fight will be nothing that anyone can stop."
- 227. The above admissions demonstrate the stated purpose and scope of the Winhaven Fraud, and demonstrate that Annette is a victim of the Winhaven Fraud.
- 228. On June 25, 2012, Annette directed her new financial advisors to pay off the Credit Line with HSBC Bank and to assume control of the Collateral Account in order to mitigate the damages in connection with the Credit Line and to protect the Collateral Account, which serves as her primary source of income.

### XIII. The Winhaven Fraud Damaged Annette Financially And Personally

- 229. Because of the foregoing alleged fraudulent activity, Annette has suffered financial and personal damages at the hands of Winston, Ganz and Tehrani through the Winhaven Fraud.
- 230. Annette's financial damages include, but are not limited to, an approximate total of the following:
  - a. Advances Winston took from Annette's Credit Line in the amount of approximately \$6,395,000, plus interest and penalties associated therewith;
  - b. The imminent deficiency on the Boat Loan for approximately \$1,000,000, if not more, plus interest and penalties associated therewith;
  - c. The Bond Loan posted for the purchase of 640 Broadway in the amount of \$500,000, plus interest thereon;
  - d. Taxes owed for Amphitrite LLC in the amount of approximately \$65,000, plus interest and penalties associated therewith;

- e. Taxes owed in connection with withdrawals from Annette's IRA Account based on the false tax advise give by Ganz, including but not limited to the amount of \$109,801 owed in 2011 and any amounts owed in years prior, plus interest and penalties associated therewith;
- f. The remainder of the purchase price for 59 Cornwell's Beach Road in the amount of \$500,000, plus interest thereon;
- g. Any additional interest, fees or penalties associated with the foregoing; and,
- h. Any additional debts incurred by Winston in Annette's name, or any additional funds fraudulently obtained by Winston from Annette in furtherance of the Winhaven Fraud that are not yet known.
- 231. In addition, Annette's credit has suffered significantly because of the repeated late and missed payments made on the Credit Line and the Boat Loan, and of course, by the recent repossession of the Amphitrite and subsequent charge-off concerning the Boat Loan. Indeed, in May 2012, American Express contacted Annette to inform her of its intent to revoke her American Express cards, though she has been a holder in good stead for nearly twenty years. It will take years for Annette to rebuild her credit, and she is severely disadvantaged in this process considering her age and income prospects. Should Annette need to secure a loan or enter into any financial transaction, her damaged credit rating will severely inhibit her ability to do so.
- 232. Finally, Annette has experienced an enormous amount of personal stress surrounding her discovery of the Winhaven Fraud. She has experienced panic concerning her financial outlook, and now seeks to sell her home in Sands Point to mitigate some of the damage. Moreover, she fears government liens and other action against her in response to the many debts incurred by Winston and his cohorts. Since discovering the Winhaven Fraud, and the subsequent unraveling of so many aspects of her life, Annette has been waking at night with panic attacks. She has seen a doctor for medical advice concerning stress, fatigue and anxiety. She is, at best, deeply distraught.

233. After giving her son-in-law every opportunity to remedy his wrongs, Annette is forced to bring the following claims.

### **COUNT ONE**

For Violations of 18 U.S.C. §§ 1961, et seq. (Civil RICO) (Against Defendants Winston, Ganz, Tehrani and Winhaven)

- 234. Plaintiff incorporates by reference and realleges all preceding paragraphs as if fully set forth herein.
  - 235. Plaintiff is a "person" within the meaning of 18 U.S.C. §§ 1961(3), 1964(c).
- 236. Each defendant named herein is a "person" within the meaning of 18 U.S.C. § 1961(3) and § 1962(c) and (d).
- 237. At all times relevant herein, Winhaven was an "enterprise" engaged in, or the activities of which affected, interstate commerce, as that term is defined by 18 U.S.C. § 1961(4), and within the meaning of 18 U.S.C. § 1962(c).
- 238. From in or around the Fall of 2003 through the present, Winston, Ganz, and Tehrani knowingly conducted and participated in the affairs of Winhaven through a pattern of racketeering activity, including the acts of mail fraud, bank fraud, wire fraud, money laundering, and engaging in monetary transactions in property derived from specified unlawful activity, as described herein. Defendants' conduct constitutes a violation of 18 U.S.C. § 1962(c).
- 239. At all relevant times mentioned herein, Winston exerted control over, and directed the operations of the Winhaven enterprise. Winston utilized that control to conduct the pattern of racketeering activities that included, without limitation, forging, creating, submitting, or causing to be submitted various advance requests to fraudulently withdraw funds from Annette's Credit Line at HSBC Bank, effectuating securities

transactions in Annette's Securities Accounts at HSBC Securities, and falsifying financial information, bank documents and tax returns as described herein. Such activities were undertaken by Winston and assisted by Ganz and Tehrani to support a real estate development business built by defrauding banks, investors, lenders and the federal government, in addition to Plaintiff.

- 240. Upon information and belief, Ganz and Tehrani conspired with Winston to participate in the Winhaven Fraud by assisting in Winston's pattern of racketeering activities, including, without limitation, by creating or helping to create fraudulent documents, forging or assisting in the forging of certain documents, and otherwise manipulating or assisting in the manipulation of Annette's finances in such a manner that caused her to remain unaware of the fraudulent activity as described herein. The participation by Ganz and Tehrani in Winston's conspiracy through the Winhaven enterprise was in furtherance of the unlawful goals of the Winhaven Fraud.
- 241. The racketeering acts set forth herein were carried out on a continued basis over a period of at least eight years; such acts were related and similar, and were committed in furtherance of Defendants' ongoing scheme to purchase, develop, and sell real estate assets while hiding such assets from the federal government and defrauding various parties, including, without limitation, Annette, numerous banks, and the federal government.
- 242. Upon information and belief, this pattern of racketeering activity poses a specific threat of repetition extending indefinitely into the future, inasmuch as Winhaven continues to pursue real estate ventures by owning, purchasing and developing properties, all while shielding from the federal government that such assets belong to and are

controlled by Winston, and while continuing to defraud and damage investors, banks and others whom the Winhaven enterprise touches.

- 243. Each Defendant conducted or participated, directly or indirectly, in the conduct of the Winhaven enterprise's affairs, and conspired to do so through a pattern of racketeering activity within the meaning of 18 U.S.C. § 1961(5); that is,
  - a. Mail fraud in violation of 18 U.S.C. § 1341;
  - b. Wire fraud in violation of 18 U.S.C. § 1343;
  - c. Bank fraud in violation of 18 U.S.C. § 1344;
  - d. Laundering of monetary instruments in violation of 18 U.S.C. § 1956; and,
  - e. Engaging in monetary transactions in property derived from specified unlawful activity in violation of 18 U.S.C. § 1957.
- 244. Winston, Ganz and Tehrani, for the purpose of carrying out the Winhaven Fraud, and in furtherance of its unlawful activities as set forth herein, transmitted or caused to be transmitted fraudulent or misleading communications by means of wire, including without limitation, by telephone calls, faxes, and e-mails between and among each of the Defendants, Plaintiff, other investors and lenders in connection with the Winhaven enterprise, banks, the IRS, and other agencies of the federal government.
- 245. Each use of the wires in furtherance of the Winhaven Fraud and in furtherance of the unlawful activities set forth herein, constitutes a separate offense of wire fraud.
- 246. Each instance of providing fraudulent financial documents to HSBC Bank, HSBC Securities, Bank of America, and other banks and lenders constitutes a separate offense of bank fraud.

- 247. Winston, Ganz and Tehrani, for the purpose of executing the Winhaven Fraud, and in furtherance of its unlawful activities as set forth herein, transmitted or caused to be transmitted fraudulent or misleading communications by means of the U.S. mails between and among each of the Defendants, Plaintiff, other investors and lenders in connection with the Winhaven enterprise, banks, the IRS, and other agencies of the federal government.
- 248. Each use of the U.S. mails in furtherance of the Winhaven Fraud and the unlawful activities set forth herein, constitutes a separate offense of mail fraud.
- 249. Winston, Ganz and Tehrani knowingly engaged in numerous financial transactions with funds obtained by fraudulently advancing moneys from Annette's Credit Line, or by fraudulently inducing Annette and other investors or lenders to loan money to Winston as described herein. Winston, Ganz and Tehrani engaged such transactions for the purpose of disguising the fraudulent origin of the funds, and to disguise the possession and use of those funds and assets purchased with those funds from the federal government.
- 250. Each financial transaction engaged in by Winston, Ganz and Tehrani with funds obtained by fraud and used in furtherance of fraud constitutes a separate offense of money laundering.
- 251. As a direct and proximate result of the foregoing pattern of racketeering and unlawful activities, Plaintiff Annette Lorber has suffered damages in an amount to be determined at trial, with interest thereon.
- 252. Defendants' wrongful conduct, as described above and below, was malicious, reckless, willful, and undertaken in support of a larger fraudulent enterprise the Winhaven Fraud and thus may have injured other victims and the public generally.

Accordingly, punitive damages, in addition to compensatory damages, are appropriate to deter fraudulent conduct of this nature.

### Aiding and Abetting Conversion Under New York Law (Against the HSBC Defendants)

- 281. Plaintiff incorporates by reference and realleges all preceding paragraphs as if fully set forth herein.
- 282. Plaintiff Annette Lorber was the sole borrower on the Credit Line with HSBC Bank following the death of Martin Lorber, and any funds available under the Credit Line were rightfully for her use alone. Annette was also the sole owner and beneficiary of the Securities Accounts held by HSBC Securities.
- 283. Winston, Ganz and Tehrani who were neither borrowers nor authorized recipients of funds from the Credit Line or Securities Accounts through dishonest means such as deception, forgery, and fraudulently obtaining signatures, advanced moneys from Annette's Credit Line and Securities Accounts for their own purpose of supporting the Winhaven Fraud, and disposed of Annette's funds in furtherance of the Winhaven Fraud.
- 284. The HSBC Defendants, through their representatives including, without limitation, Finken, Givelechian and Neville, had knowledge of or were willfully blind to

the unauthorized advances from Annette's Credit Line or the unauthorized purchase, sale or transfer of securities and cash in connection with Annette's Securities Accounts.

- 285. As alleged in detail above, the HSBC Defendants substantially assisted Winston, Ganz and Tehrani in unlawfully taking and using Annette's property by, *inter alia*, accepting false signatures, re-routing account statements to unauthorized recipients, and effectuating unauthorized securities transactions in connection with either or both the Credit Line and Securities Accounts.
- 286. As a direct and proximate result of foregoing, Plaintiff Annette Lorber has suffered damages in connection with the Credit Line and Securities Accounts in an amount to be determined at trial, with interest thereon.

### Negligence Under New York Law (Against the HSBC Defendants)

- 288. Plaintiff incorporates by reference and realleges all preceding paragraphs as if fully set forth herein.
- 289. At all times alleged herein, the HSBC Defendants owed to Annette the duty to manage her Credit Line, checking accounts and Securities Accounts in a reasonable and diligent manner by virtue of the debtor-creditor relationship with HSBC Bank and the broker-dealer to customer relationship with HSBC Securities.
- 290. As alleged extensively above, the HSBC Defendants breached their duty to Annette by, *inter alia*:

- a. Permitting unauthorized individuals to advance funds from the Credit Line by forgery or otherwise unauthorized signature;
- b. Permitting unauthorized individuals to manipulate control of the Credit Line by altering the address and recipient of Credit Line account statements, and thereby preventing Annette from receiving Credit Line account statements, through which she may have discovered the forgeries;
- c. Permitting unauthorized individuals to transfer funds among accounts whether to draw down from or make payments on the Credit Line, whether by forgery or otherwise unauthorized signature;
- d. Permitting unauthorized individuals to open bank accounts in Annette's name, whether by forgery or otherwise unauthorized signature;
- e. Failing to inform Annette of penalties associated with late or returned payments or overdrawn accounts and, instead, continuing to deal with the unauthorized individuals responsible for causing such late or returned payments and overdrawn accounts;
- f. Permitting unauthorized individuals to purchase, sell and transfer securities with Annette's Securities Accounts, whether by forgery or otherwise unauthorized signature;
- g. Permitting an individual convicted of securities fraud and barred from trading on behalf of others to *de facto* effect trades in Annette's Securities Accounts.
- 291. Through the various breaches alleged above, the HSBC Defendants have damaged Annette by causing her Credit Line to be drawn nearly to its maximum of \$6,500,000 without her knowledge, causing a substantial portion of the Collateral Account to be at risk and thereby risking her primary source of income, liquidating \$500,000 worth of securities at the request of unauthorized individuals, and generally permitting unauthorized individuals to manipulate the Credit Line and Securities Accounts without conducting adequate due diligence in the face of suspicious circumstances or verifying any of the above-alleged account activity with Annette.
- 292. As a result of the foregoing, Plaintiff Annette Lorber has suffered damages in an amount to be demonstrated at trial, with interest thereon.

# Unauthorized Signatures Under New York Uniform Commercial Code Article III (Against the HSBC Defendants)

- 293. Plaintiff incorporates by reference and realleges all preceding paragraphs as if fully set forth herein.
- 294. The Note evidencing the Credit Line with HSBC Bank is a note within the meaning of Article 3 of the UCC in that the Note mandates that "Annette Lorber . . . promises to pay to the order of HSBC Bank USA . . . (together with its successors and assigns, the 'Bank'), ON DEMAND, the principal amount of Six Million Five Hundred Thousand Dollars and Zero Cents (\$6,500,000.00) or, if less, such amount as may be the aggregate unpaid principal amount of all loans or advances made by the Bank to the Borrower pursuant hereto, together with interest" in accordance with the "Interest Rate Election Rider."
- 295. The Note, as set forth above, contains an unconditional promise by Annette Lorber to pay a sum certain.
  - 296. The Note, as set forth above, is payable on demand.
  - 297. The Note, as set forth above, is payable to HSBC Bank and is assignable.
- 298. As alleged above, HSBC Bank failed to act in good faith or in accordance with reasonable commercial standards in connection with the Note and the Credit Line by, inter alia:
  - a. Permitting unauthorized individuals to advance funds from the Credit Line by forgery or otherwise unauthorized signature;
  - b. Permitting unauthorized individuals to manipulate control of the Credit Line by altering the address and recipient of Credit Line account statements whether by forgery or otherwise unauthorized signature, and thereby preventing Annette from receiving Credit Line account statements, through which she may have discovered the forgeries;

- c. Permitting unauthorized individuals to transfer funds among accounts whether to draw down from or make payments on the Credit Line, whether by forgery or otherwise unauthorized signature;
- d. Permitting unauthorized individuals to open bank accounts in Annette's name, whether by forgery or otherwise unauthorized signature; and,
- e. Permitting unauthorized individuals to purchase, sell and transfer securities with Annette's Securities Accounts, whether by forgery or otherwise unauthorized signature.
- 299. Annette exercised reasonable due diligence in light of the circumstances by reviewing her Collateral Account statements, which she believed would have reflected the amount of the Collateral Account value used to secure advances on the Credit Line at any given time. Had Annette ever been accustomed to receiving Credit Line account statements in the past, and had she not been prevented from receiving such account statements by HSBC Bank after Martin Lorber's death, Annette would have exercised reasonable due diligence by reviewing Credit Line account statements as well.
- 300. As a result of the HSBC Defendants' knowing and negligent acceptance of unauthorized signatures in connection with Annette Lorber's Credit Line and Securities Accounts, Plaintiff Annette Lorber has suffered damages for which the HSBC Defendants are liable in an amount to be demonstrated at trial, with interest thereon.

- 301. Plaintiff incorporates by reference and realleges all preceding paragraphs as if fully set forth herein.
- 302. The Credit Line Agreement and each of its subsequent renewals executed in fact by Annette Lorber collectively constitute a valid and binding contract as between Annette Lorber and HSBC Bank.

- 303. Pursuant to the Credit Line Agreement, HSBC Bank promised to lend money to Annette Lorber, as the Borrower, at her direction and with her authorization.
- 304. In violation of that promise, HSBC Bank loaned money from the Credit Line without Annette's authorization.
- 305. Annette has, to the best of her knowledge, performed to the extent possible under the Credit Line Agreement.
- 306. HSBC Bank's breach of its promise to loan money with Annette's authorization has caused Annette's Credit Line to be advanced to nearly its maximum.
- 307. Similarly, the account opening documents executed in fact by Annette Lorber in connection with the Securities Accounts constitute valid and binding contracts as between Annette Lorber and HSBC Securities.
- 308. Pursuant to the account opening documents relating to the Securities Accounts, HSBC Securities promised to conduct transactions in connection with the Securities Accounts in a non-discretionary fashion and at the direction of Annette Lorber or an individual with trading authority granted by Annette Lorber.

- 313. As alleged above, Finken and Neville, as employees of HSBC Bank and HSBC Securities respectively, had intimate contact with Defendants Winston and Ganz following Martin Lorber's death.
- 314. The fraudulent and manipulative activity of Winston and Ganz with respect to the Credit Line and Securities Accounts was so obvious that the HSBD Defendants, through their representatives Finken and Neville, knew or were willfully blind to the fraud.
- 315. By permitting Winston and Ganz to advance money from the Credit Line, and to conduct unauthorized securities transactions in the Securities Accounts, the HSBC Defendants participated in that fraud.
- 316. The failure by HSBC Bank representative Givelechian to conduct any due diligence whatsoever with regard to Annette and the Credit Line, and her continuous failure to handle the Credit Line account according to reasonable banking standards exacerbated Finken's and Neville's knowing participation in the fraud.
- 317. The HSBC Defendants' participation in the fraud alleged herein amounts to commercial bad faith.

318. The HSBC Defendants' bad faith caused Annette's Credit Line to be advanced nearly to its maximum, the risk of loss of the Collateral Account, and the loss of \$500,000 worth of securities in the Securities Accounts, among other transactions.

319. As a result of the foregoing, Plaintiff Annette Lorber has suffered damages in an amount to be demonstrated at trial, with interest thereon.

If by reason of any Regulatory Change, the Bank determines that, by reason of circumstances affecting the London interbank market generally, adequate and fair means do not or will not exist for determining the LIBOR Rate, (ii) by reason of any Regulatory Change, the Bank becomes restricted in the amount which it may hold of a category of liabilities which includes deposits by reference to the LIBOR Rate or a category of assets which includes loans which bear interest a rate determined in part by reference to the LIBOR Rate, (iii) by reason of any Regulatory Change, it shall be unlawful for the Bank to maintain a LIBOR Rate Advance, or any portion thereof, bearing interest at the Adjusted LIBOR Rate, (iv) in the exclusive judgment of the Bank,

deposits are not available to the Bank in the international interbank market in the requisite amounts and for the requisite durations, (v) in the exclusive judgment of the Bank, the Adjusted LIBOR Rate does not adequately reflect the cost to the bank of making or maintaining a LIBOR Rate Advance then, in any such case, any LIBOR Rate Advance shall bear interest at the Adjusted Prime Rate. If the Bank determines that because of a change in circumstances the Adjusted LIBOR Rate is again available to the Borrower bereunder, the Bank will so advise the Borrower, and the Borrower may convert the rate of interest payable hereunder to the Adjusted LIBOR Rate at any time (provided the Adjusted LIBOR Rate is otherwise available hereunder) by making such election in accordance with, and subject to the conditions of, this Note.

If, at any time, any Regulatory Change: (i) shall subject the Bank to any tax, duty or other charge with respect to this Note, except an income tax, based upon the charging and collecting of interest hereunder at the Adjusted LIBOR Rate, shall change the basis of taxation or payments to the Bank of the principal of or interest on this Note; (ii) shall result in the imposition, modification or deemed applicability of any reserve, special deposit or similar requirements against assets of, deposits with or for the account of, or credit extended by, the Bank; (iii) shall, because of the existence of this Note, affect the amount of capital required or expected to be maintained by the Bank, or any corporation controlling the Bank; or (iv) shall impose on the Bank or the London interbank market any other condition affecting this Note or the charging and collecting of interest hereunder at the Adjusted LIBOR Rate and the result of any of the foregoing is, in the Bank's reasonable judgment, (a) to increase the cost to the Bank of charging and collecting interest hereupder at the Adjusted LIBOR Rate, or (b) to reduce the return on the Bank's capital or the amount of any sum received or receivable by the Bank under this Note by an amount deemed by the Bank to be material, upon demand then, by the Bank, the Borrower agrees to pay to the Bank such additional amount or amounts as will compensate the Bank for such increased cost or reduction. Such payments shall be made on the first date for payment of interest hereunder following the date of the demand by the Bank and on each such payment date thereafter or shall be paid promptly on demand if the Borrower is not advised of the amount of such payment prior to any such payment date. Determinations by the Bank for purposes of this paragraph of the effect of any Regulatory Change on its costs of making or maintaining Advances bearing interest at the Adjusted LIBOR Rate and of the additional amounts required to compensate the Bank in respect thereof, shall be conclusive absent manifest error in calculation, provided that such determinations are made in good faith. Special LIBOR Rate Advances are exempt from the compensation paid to the Bank under this paragraph.

Notwithstanding the provision of the immediately preceding paragraph, (i) the Bank must receive written notice of any prepayment not less than three (3) Business Days prior to such prepayment, and (ii) any prepayment in part must be made in multiples of \$ N/A.

The Borrower understands and acknowledges that in connection with LIBOR Rate Advances the Bank may enter into funding arrangements on terms and conditions which could result in substantial losses, costs and expenses to the Bank if LIBOR Rate Advances are prepaid on a date other than the expiration of the selected LIBOR period. Therefore, if there is a

prepayment of any LIBOR Rate Advance on a date other than the expiration of the selected LIBOR Period for any reasons whatsoever including, but not limited to, any payments made by the Borrower because the holder of this Note has accelerated payment in accordance with the terms hereof or any other document relating to the indebtedness hereunder, then the Borrower shall pay to the Bank, as liquidated damages and not as a penalty, a fee (the "Liquidation Fee") equal to the losses (including but not limited to, lost profits of the Bank), costs and expenses of the Bank in connection with such prepayment as determined by the Bank, which payment shall be made by the Borrower to the Bank on the date on which such prepayment is made. The calculations made by the Bank to ascertain such Liquidation Fee shall be conclusive absent manifest error in calculation by the Bank, provided that such calculations are made in good faith. The Bank, upon the written request of the Borrower, shall advise the Borrower in writing of the amount of the Liquidation Fee applicable to any such prepayment. Special LIBOR Rate Advances are exempt from the Liquidation Fees paid to the Bank under this paragraph.

The Bank may elect (but shall be under no obligation) to send to the Borrower written confirmation of the due date of each Advance, but any failure to do so shall not relieve the Borrower of the obligation to repay the Advance when due. Unless the Borrower shall object to such confirmation in writing within five (5) days after receipt thereof, such confirmation shall be prima facie evidence of the facts stated therein.

Each entry set forth on the Schedule shall be prima facie evidence of the facts so set forth, except for any such facts as to which the Bank has sent to the Borrower a written confirmation and the Borrower has timely objected as provided herein. No failure by the Bank to make, and no error by the Bank in making any inscription on the Schedule shall affect the Borrower's obligation to repay the full principal amount advanced by the Bank to or for the account of the Borrower, or the Borrower's obligation to pay interest thereon at the agreed upon rate.

Before Maturity, Prime Rate Advances shall bear interest at the Adjusted Prime Rate, LIBOR Rate Advances shall bear interest at the Adjusted LIBOR Rate.

Any principal amount not paid when due (at maturity, by acceleration or otherwise) shall bear interest thereafter until paid in full, payable on demand, at a rate per annum equal to:

- (a) For each Prime Rate Advance at a rate equal to Prime Rate plus 3%; and
- (b) For each LIBOR Rate Advance at the rate otherwise applicable thereto plus 3% from the time of default in payment of principal until the end of the then current LIBOR Period therefor, and thereafter at a rate equal to the Prime Rate plus 3%.

If any payment to be made finder this Note shall be stated to be due on a Saturday, Sunday or banking holiday the Borrower will pay interest thereon at the applicable rate until the date of actual receipt of such payment by the holder of this Note.

In no event shall the interest rate on this Note exceed the maximum rate authorized by applicable law. Any change in interest rate on this Note resulting from a change in the Bank's Prime Rate shall be effective on the date of such change. Interest on Advances will be calculated for each day at 1/360th of the applicable per annum rate, which will result in a higher effective annual rate. Accrued Interest on Prime Rate Advances shall be payable monthly on the first day of each month and on the date any Prime Rate Advance is paid in full. Accrued Interest on LIBOR Rate Advances shall likewise be payable on the first day of each month and on the date any LIBOR Advance is paid in full.

NOTHING CONTAINED IN THIS NOTE OR OTHERWISE IS INTENDED, NOR SHALL CONSTITUTE, ANY OBLIGATION OF THE BANK TO MAKE ANY ADVANCE.

No failure by the holder hereof to exercise, and no delay in exercising, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise by such holder of any right or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right or remedy. ## **REVOLVING DEMAND NOTE**

5 31 ,2011

\$6,500,000.00

For value received, the undersigned Annette Lorber, an individual, with an address of 59 Cornwells Beach Road, Sands Point, New York 11050-1305 (the "Borrower"), promises to pay to the order of HSBC Bank USA, National Association, a bank organized under the laws of the United States of America with an address of 534 Broadhollow Road, 1st floor, Melville, New York 11747 (together with its successors and assigns, the "Bank"), ON DEMAND, the principal amount of Six Million Five Hundred Thousand Dollars and Zero Cents (\$6,500,000.00) or, if less, such amount as may be the aggregate unpaid principal amount of all loans or advances made by the Bank to the Borrower pursuant hereto, together with interest from the date hereof on the unpaid principal balance from time to time outstanding until paid in full.

The aggregate principal balance outstanding shall bear interest, and interest shall be payable, in accordance with that certain Interest Rate Election Rider, attached hereto and made a part hereof (the "Interest Election Rider").

Principal and interest shall be payable at the Bank's main office or at such other place as the Bank may designate in writing in immediately available funds in lawful money of the United States of America without set-off, deduction or counterclaim. Interest shall be calculated on the basis of actual number of days elapsed and a 360-day year.

This Note is a revolving note and, subject to the foregoing and in accordance with the provisions hereof and of any and all other agreements between the Borrower and the Bank related hereto, the Borrower may, at its option, borrow, pay, prepay and reborrow hereunder at any time prior to demand for payment hereunder or such earlier date as the obligations of the Borrower to the Bank under this Note, and any other agreements between the Bank and the Borrower related hereto, shall become due and payable; provided, however, that in any event the principal balance outstanding hereunder shall at no time exceed the face amount of this Note. This Note shall continue in full force and effect until all obligations and liabilities evidenced by this Note are paid in full, even if, from time to time, there are no amounts outstanding respecting this Note. Nothing contained in this Note or otherwise is intended, nor shall constitute, an obligation of the Bank to make any loan or advance.

Any payments received by the Bank on account of this Note shall, at the Bank's option, be applied first, to accrued and unpaid interest; second, to the unpaid principal balance hereof; third to any costs, expenses or charges then owed to the Bank by the Borrower; and the balance to escrows, if any. Notwithstanding the foregoing, any payments received after demand for payment shall be applied in such manner as the Bank may determine. The Borrower hereby authorizes the Bank to charge any deposit account which the Borrower may maintain with the Bank for any payment required hereunder without prior notice to the Borrower.

If pursuant to the terms of this Note, the Borrower is at any time obligated to pay interest on the principal balance at a rate in excess of the maximum interest rate permitted by applicable law for the loan evidenced by this Note, the applicable interest rate shall be immediately reduced to such maximum rate and all previous payments in excess of the maximum rate shall be deemed to have been payments in reduction of principal and pot on account of the interest due hereunder.

The Borrower represents to the Bank that the proceeds of this Note will not be used for personal, family or household purposes or for the purpose of purchasing or carrying margin stock or margin securities within the meaning of Regulations U and X of the Board of Governors of the Federal Reserve System, 12 C.F.R. Parts 221 and 224.

The Borrower and each endorser and guarantor hereof grant to the Bank a continuing lien on and security interest in any and all deposits or other sums at any time credited by or due from the Bank or any Bank Affiliate (as hereinafter defined) to the Borrower and/or each endorser or guarantor hereof and any cash, securities, instruments or other property of the Borrower and each endorser and guarantor hereof in the possession of the Bank or any Bank Affiliate, whether for safekeeping or otherwise, or in transit to or from the Bank or any Bank Affiliate (regardless of the reason the Bank or Bank Affiliate had received the same or whether the Bank or Bank Affiliate has conditionally released the same) as security for the full and punctual payment and performance of all of the liabilities and obligations of the Borrower and/or any endorser or guarantor hereof to the Bank or any Bank Affiliate and such deposits and other sums may be applied or set off against such liabilities and obligations of the Borrower or any endorser or guarantor hereof to the Bank or any Bank Affiliate at any time, whether or not such are then due, whether or not demand has been made and whether or not other collateral is then available to the Bank or any Bank Affiliate.

No delay or omission on the part of the Bank in exercising any right hereunder shall operate as a waiver of such right or of any other right of the Bank, nor shall any delay, omission or waiver on any one occasion be deemed a bar to or waiver of the same or any other right on any future occasion. The Borrower and every endorser or guarantor of this Note, regardless of the time, order or place of signing, waives presentment, demand, protest, notice of intent to accelerate, notice of acceleration and all other notices of every kind in connection with the delivery, acceptance, performance or enforcement of this Note and assents to any extension or postponement of the time of payment or any other indulgence, to any substitution, exchange or release of collateral, and to the addition or release of any other party or person primarily or secondarily liable and waives all recourse to suretyship and guarantor defenses generally, including any defense based on impairment of collateral. To the maximum extent permitted by law, the Borrower and each endorser and guarantor of this Note waive and terminate any homestead rights and/or exemptions respecting any premises under the provisions of any applicable homestead laws, including without limitation, Section 5206 of the Civil Practice Law and Rules of New York.

The Borrower and each endorser and guarantor of this Note shall indemnify, defend and hold the Bank and the Bank Affiliates and their directors, officers, employees, agents and attorneys (each an "Indemnitee") harmless against any claim brought or threatened against any Indemnitee by the Borrower, by any endorser or guarantor, or by any other person (as well as from attorneys' reasonable fees and expenses in connection therewith) on account of the Bank's relationship with the Borrower or any endorser or guarantor hereof (each of which may be defended, compromised, settled or pursued by the Bank with counsel of the Bank's selection, but at the expense of the Borrower and any endorser and/or guarantor), except for any claim arising out of the gross negligence or willful misconduct of the Bank.

The Borrower and each endorser and guarantor of this Note agree to pay, upon demand, costs of collection of all amounts under this Note including, without limitation, principal and interest, or in connection with the enforcement of, or realization on, any security for this Note, including, without limitation, to the extent permitted by applicable law, reasonable attorneys' fees and expenses. Upon demand for payment of any amounts hereunder, interest shall accrue at a rate per annum equal to the aggregate of 3.0% plus the rate provided for herein. If any payment due under this Note is unpaid for 10 days or more, the Borrower shall pay, in addition to any other sums due under this Note (and without limiting the Bank's other remedies on account thereof), a late charge equal to 5.0% of such unpaid amount (which amount shall be subject to and limited so as to not be in violation of the provisions of Section 254-b of New York Real Property Law, if applicable).

This Note shall be binding upon the Borrower and each endorser and guaranter hereof and upon their respective heirs, successors, assigns and legal representatives, and shall inure to the benefit of the Bank and its successors, endorsees and assigns.

The liabilities of the Borrower and each Borrower, if more than one, and any endorser or guarantor of this Note are joint and several; provided, however, the release by the Bank of the Borrower or any one or more endorsers or guarantors shall not release any other person obligated on account of

this Note. Any and all present and future debts of the Borrower to any endorser or guarantor of this Note are subordinated to the full payment and performance of all present and future debts and obligations of the Borrower to the Bank. Each reference in this Note to the Borrower and each Borrower, if more than one, and endorser or guarantor of this Note, is to such person individually and also to all such persons jointly. No person obligated on account of this Note may seek contribution from any other person also obligated, unless and until all liabilities, obligations and indebtedness to the Bank of the person from whom contribution is sought have been irrevocably satisfied in full. The release or compromise by the Bank of any collateral shall not release any person obligated on account of this Note.

The Borrower and each endorser and guarantor hereof each authorizes the Bank to complete this Note if delivered incomplete in any respect. A photographic or other reproduction of this Note may be made by the Bank, and any such reproduction shall be admissible in evidence with the same effect as the original itself in any judicial or administrative proceeding, whether or not the original is in existence.

The Borrower will from time to time execute and deliver to the Bank such documents, and take or cause to be taken, all such other further action, as the Bank may request in order to effect and confirm or vest more securely in the Bank all rights contemplated by this Note or any other loan documents related thereto (including, without limitation, to correct clerical errors) or to vest more fully in or assure to the Bank the security interest in any collateral securing this Note or to comply with applicable statute or law.

This Note shall be governed by the laws of the State of New York without giving effect to the conflicts of laws principles thereof

Any notices under or pursuant to this Note shall be deemed duly received and effective if delivered in hand to any officer or agent of the Borrower or Bank, or if mailed by registered or certified mail, return receipt requested, addressed to the Borrower or Bank at the address set forth in this Note or as any party may from time to time designate by written notice to the other party.

The term "Bank Affiliate" as used in this Note shall mean any "Affiliate" of the Bank or any lender acting as a participant under any loan arrangement between the Bank and the Borrower(s). The term "Affiliate" shall mean with respect to any person, (a) any person which, directly or indirectly through one or more intermediaries controls, or is controlled by, or is under common control with, such person, or (b) any person who is a director or officer (i) of such person, (ii) of any subsidiary of such person, or (iii) any person described in clause (a) above. For purposes of this definition, control of a person shall mean the power, direct or indirect, (x) to vote 5% or more of the Capital Stock having ordinary voting power for the election of directors (or comparable equivalent) of such person, or (y) to direct or cause the direction of the management and policies of such person whether by contract or otherwise. Control may be by ownership, contract, or otherwise.

No change in any provision of this Note may be made except by a writing signed by authorized signers of both parties to this Note, except that the Bank is authorized to fill in any blank spaces and to otherwise complete this Note and correct any patent errors herein.

All of the Bank's rights and remedies not only under the provisions of this Note but also under any other agreement or transaction shall be cumulative and not alternative or exclusive, and may be exercised by the Bank at such time or times and in such order of preference as the Bank in its sole discretion may determine.

IN ANY ACTION, SUIT OR PROCEEDING IN RESPECT OF OR ARISING OUT OF THIS NOTE, BORROWER AND EACH INDORSER WAIVE (I) THE RIGHT TO INTERPOSE ANY SET-OFF OR COUNTERCLAIM OF ANY NATURE OR DESCRIPTION, (II) ANY OBJECTION BASED ON FORUM NON CONVENIENS OR VENUE AND (III) ANY CLAIM FOR CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES.

The Borrower and each endorser and guarantor of this Note each irrevocably submits to the

or with a hearing, at the arbitrator's sole discretion) pre-hearing motions which are substantially similar to pre-hearing motions to dismiss and motions for summary adjudication. In any such arbitration proceeding, the arbitrator shall not have the power or authority to award punitive damages to any party. Judgment upon the award rendered may be entered in any court having jurisdiction. Whenever an arbitration is required, the parties shall select an arbitrator in the manner provided in this section. No provision of, nor the exercise of any rights under this provision shall limit the right of any party (i) to foreclose against any real or personal property collateral through judicial foreclosure, by the exercise of a power of sale under a deed of trust, mortgage or other security agreement or instrument, pursuant to applicable provisions of the UCC, or otherwise pursuant to applicable law, (ii) to exercise self help remedies including but not limited to setoff and repossession, or (iii) to request and obtain from a court having jurisdiction before, during or after the pendency of any arbitration, provisional or ancillary remedies and relief including but not limited to injunctive or mandatory relief or the appointment of a receiver. The institution and maintenance of an action or judicial proceeding for, or pursuit of, provisional or ancillary remedies or exercise of self help remedies shall not constitute a waiver of the right of Bank, even if Bank is the plaintiff, to submit the Dispute to arbitration if Bank would otherwise have such right. Bank may require arbitration of any Dispute(s) concerning the lawfulness, unconscionableness, propriety, or reasonableness of any exercise by Bank of its right to take or dispose of any Collateral or its exercise of any other right in connection with Collateral including, without limitation, judicial foreclosure, exercising a power of sale under a deed of trust or mortgage, obtaining or executing a writ of attachment, taking or disposing of property with or without judicial process pursuant to Article 9 of the UCC or otherwise as permitted by applicable law, notwithstanding any such exercise by Bank, Whenever an arbitration is required under this section, the arbitrator shall be selected, except as otherwise herein provided, in accordance with the Commercial Arbitration Rules of the AAA. A single arbitrator shall decide any claim of \$100,000 or less and he or she shall be an attorney with at least five years' experience. Where the claim of any party exceeds \$100,000, the Dispute shall be decided by a majority vote of three arbitrators, at least two of whom shall be attorneys (at least one of whom shall have not less than five years' experience representing commercial banks). In the event of any Dispute governed by this section, each of the parties shall, subject to the award of the arbitrator, pay an equal share of the arbitrator's fees. The arbitrator shall have the power to award recovery of all costs and fees (including attorneys' fees, administrative fees, arbitrator's fees, and court costs) to the prevailing party.

# INTEREST RATE ELECTION RIDER

- INTEREST RATE(S); PAYMENTS AND PREPAYMENTS.
- 1.1 <u>Interest Rates.</u> So long as the Bank has not demanded payment of any amounts hereunder, and subject to the other terms of this Note, the outstanding principal balance shall bear interest at a rate per annum for the Interest Periods (as hereinafter defined) which the Borrower selects in accordance with this paragraph and the other provisions of this Note equal to: (a) a variable rate (the "Variable Rate") equal to the Prime Rate (as hereinafter defined) (a "Variable Rate Advance"); or (b) Two Percent (2.00%) above the LIBOR Rate (as hereinafter defined) for Interest Periods of 30, 60, 90, 180 or 360 days, but not longer than the remainder of the term of this Note (a "LIBOR Advance").
- Rate Selection. When the Borrower desires to select an interest rate, the Borrower shall give the Bank prior notice in a form satisfactory to the Bank specifying the effective date thereof (which shall be a Banking Day (as hereinafter defined)), the type of interest rate, the amount to which the interest rate shall apply and the duration of the first Interest Period therefor. Any such notice shall be irrevocable and shall be subject to other terms and conditions set forth in this Note. If the Bank does not receive timely notice of a requested LIBOR Advance, the Borrower shall be deemed to have selected a Variable Rate Advance. Each LIBOR Advance may only be requested in increments greater than One Hundred Thousand Dollars and Zero Cents (\$100,000.00). If any interest rate is selected, the Bank shall record on the books and records of the Bank an appropriate notation evidencing such selection, each repayment on account of the principal thereof and the amount of interest paid, and the Borrower authorizes the Bank to maintain such records and make such notations and agrees that the amount shown on the books and records as outstanding from time to time shall constitute the amount owing to the Bank pursuant to this Note, absent manifest error.
- 1.3 Payment of Interest. Interest on all amounts outstanding (except for LIBOR Advances) shall be payable monthly in arrears on the 1st day of each month commencing the month following the date of this Note, and continuing thereafter on the same day of each succeeding month until the principal balance shall be paid in full. Interest on all LIBOR Advances shall be payable, in arrears, on the first Banking Day following the expiration of the applicable Interest Period or, at the Bank's option, on the 1st day of each month commencing the month following the date of this Note and on the day LIBOR advances are paid in full and, in respect of any LIBOR Advance of more than 90 days' duration, interest shall also be payable, in arrears, on each earlier Banking Day which is 90 days after the first day of the applicable Interest Period.
- 1.4 <u>Interest Periods</u>. Each Interest Period shall commence on the date selected and shall end on the date the Borrower shall elect, in each case as set forth in Paragraph 1.1 hereof; provided, however, that (a) any Interest Period that would otherwise end on a day which is not a Banking Day shall be extended to the next Banking Day and (b) any Interest Period that would otherwise extend beyond demand for payment of any amount shall end on the date of such demand.
- 1.5 <u>Conversion of Outstanding Amounts</u>. So long as the Bank has not demanded payment of any amounts hereunder, the Borrower may (a) on any Banking Day, convert any outstanding Variable Rate Advance to a LIBOR Advance in the same aggregate principal amount and (b) on the last Banking Day of the then current Interest Period applicable to a LIBOR Advance, convert such LIBOR Advance to a Variable Rate Advance. If the Borrower desires to convert an advance as set forth in the prior sentence, it shall give the Bank prior notice in a form satisfactory to the Bank, specifying the date of such conversion, the amount to be converted and if the conversion is from a Variable Rate Advance to a LIBOR Advance, the duration of the Interest Period therefor.
- 1.6 <u>End of Interest Period.</u> Subject to all of the terms and conditions applicable to a request that a new interest rate selected be a LIBOR Advance, the Borrower may elect to continue a LIBOR Advance as of the last day of the applicable Interest Period to a new LIBOR Advance. If the Borrower fails to notify the Bank of the Interest Period for a subsequent LIBOR Advance prior to the last day of the then current

Interest Period, then, at the Bank's discretion, such outstanding LIBOR Advance shall become a Variable Rate Advance at the end of the current Interest Period for such outstanding LIBOR Advance and shall accrue interest in accordance with the provisions regarding Variable Rate Advances described herein.

- 1.7 Basis for Determining LIBOR Inadequate or Unfair. In the event that the Bank shall determine that by reason of circumstances affecting the interbank Eurodollar market, adequate and reasonable means do not exist for determining the LIBOR Rate, or Eurodollar deposits in the relevant amount and for the relevant maturity are not available to the Bank in the interbank Eurodollar market, with respect to a proposed LIBOR Advance or a proposed conversion of any Variable Rate Advance to a LIBOR Advance, the Bank shall give the Borrower prompt notice of such determination. If such notice is given, then: (a) any requested LIBOR Advance shall be made as a Variable Rate Advance, unless the Borrower gives the Bank one Banking Day's prior written notice that its request for such borrowing is canceled; (b) any advance which was to have been converted to a LIBOR Advance shall be continued as a Variable Rate Advance; and (c) any outstanding LIBOR Advance shall be converted to a Variable Rate Advance on the last Banking Day of the then current Interest Period for such LIBOR Advance. Until such notice has been withdrawn, the Bank shall have no obligation to make LIBOR Advances or maintain outstanding LIBOR Advances and the Borrower shall not have the right to request LIBOR Advances or convert advances to LIBOR Advances.
- 1.8 <u>Illegality of LIBOR Rate</u>. Notwithstanding any other provision of this Note, if, after the date of this Note, any applicable law, treaty, regulation or directive, or any change therein or in the interpretation or application thereof, shall make it unlawful for the Bank to make or maintain any LIBOR Advance, the obligation of the Bank hereunder to make or maintain such LIBOR Advance shall forthwith be suspended for the duration of such illegality and the Borrower shall, if any such LIBOR Advance is outstanding, promptly upon request from the Bank, prepay such LIBOR Advance or convert such LIBOR Advance to another type of advance. If any such payment is made on a day that is not the last Banking Day of the then current Interest Period applicable to such advance, the Borrower shall pay the Bank, upon the Bank's request, any amount required under Paragraph 1.10 of this Note.
- 1.9 <u>Termination of Pricing Option</u>. After the Bank has demanded payment of any amounts hereunder, the Borrower's right to select pricing options, if applicable, shall cease, and, if the Borrower would, but for the application of the preceding clause, have had the right to elect among interest rate options, notwithstanding anything to the contrary in this Note, interest shall accrue at a rate per annum equal to 3.0% plus the Variable Rate.

## 1.10 Optional Prepayment.

- (a) The Borrower has the right to pay before due the unpaid balance of any Variable Rate Advance or any part thereof without penalty or premium, but with accrued interest on the principal being prepaid to the date of such repayment.
- (b) At its option and upon prior written notice to the Bank, the Borrower may prepay any LIBOR Advance in whole or in part from time to time without premium or penalty but with accrued interest on the principal being prepaid to the date of such repayment; provided, however, that such LIBOR Advance may only be prepaid on the last Banking Day of the then current Interest Period applicable thereto.
- (c) In the event that any prepayment of a LIBOR Advance is required or permitted on a date other than the last Banking Day of the then current Interest Period applicable thereto, then so long as this Note has not become due and payable in accordance with its terms, the Borrower shall have the right to prepay such LIBOR Advance in whole (but not in part), provided that the Borrower shall pay to the Bank concurrently with such prepayment a Yield Maintenance Fee in an amount computed as follows: The current rate for United States Treasury securities (bills on a discounted basis shall be converted to a bond equivalent) with a maturity date closest to the maturity date of the term chosen pursuant to the Interest Period as to which the

- reference purposes, it being understood that such rate is a reference rate, not necessarily the lowest, established from time to time, which serves as the basis upon which effective interest rates are calculated for loans making reference thereto.
- (g) "Variable Rate Advance" shall have the meaning set forth in Paragraph 1.1 above.
- 2.2 Other Terms. Terms set forth in this Note which are defined in the Note shall have the meanings set forth in the Note.

#### **TERMS AND CONDITIONS**

Definition. "You" or "your" means each borrower and each other person or entity who agrees to pay this Note and therefore agrees to the terms of the Note. "We" or "us" means the Lender and its successors and assigns.

The terms, "Contract," "Agreement," and "Loan" are used interchangeably.

Applicable Law. The state laws of the state where the Bank's lien has been recorded applies as to issues regarding the Bank's security interest in the Collateral. The laws of the United States, and as to the rate of interest and other related fees due and owing under this Agreement, the laws of North Carolina shall apply.

Ownership and Risk of Loss. You agree to pay us all that you owe under this Agreement even if the Collateral is damaged.

Security Interest. You have provided us a security interest in the Collateral that you have purchased or refinanced with the proceeds of this Note you have executed. You agree to allow us to inspect the Collateral at any reasonable time and provide any additional documentation and sign other documents, including financing statements, certificates of title or other documentation required to perfect our security interest in the Collateral. You will also pay all costs in connection with filling any such documentation. You represent that there are no other security interests or liens on the Collateral other than ours and will permit no other illens without our prior written consent. You also agree that we have the right of setoff, subject to applicable state law limitation, against any money that you have in our possession.

Required Physical Damage Insurance. You agree to have physical damage Insurance covering loss or damage to the Collateral for the term of this Agreement. At any time during the term of this Agreement, if you do not have physical damage insurance which covers both interests in the Collateral, we may, if we decide, buy insurance which covers only our interest.

We are under no obligation to buy any insurance, but may do so if we desire. If we buy either of these coverages, we will let you know what type it is and the charge you must pay. We may either request immediate reimbursement from you for the cost of such insurance or may add the insurance premium to the unpaid principal amount on this Agreement, if the insurance premium is added to the unpaid principal amount of this Agreement, interest will be charged on the insurance premium at the Annual Percentage flate disclosed in this Agreement, and you agree to pay the insurance premium with the interest in equal installments along with the payments shown on the payment schedule.

You understand and agree that if we or our assignee purchase any physical damage Insurance, we will be acting in our own interest and will not be representing your Interest. You further understand and agree that the purchased insurance will not contain any liability coverages, may cover only our interest in the Collateral, may have deductible amounts different than those in any of your provided insurance, and may be more expensive than equivalent insurance which you could purchase through your own sources. You agree that we can purchase such insurance with coverage that will be retroactive to the date your insurance terminated. You understand and agree that we may receive compensation or reimbursement in connection with such insurance.

If the Collateral is lost or damaged, you agree that we can use any insurance settlement either to repair the Collateral or to apply to your debt.

Insurance or Service/Repair Plan Charges Returned to Us. If any charge for required insurance is returned to us, it may be credited to your account or used to buy similar insurance or insurance which covers only our interest in the Motor Vehicle.

Any refund on optional insurance or service/repair plan obtained by us will be credited to your account.

Credits to your account will be in the same manner as payments. You will be notified of what is done.

Repossession of the Collateral for Faiture to Pay. If you fall to pay according to the payment schedule or if you break any of the agreements in this Agreement (default), we can take the Collateral from you (repossession) subject to any right to cure default you may have. To take the Collateral, we can go on your land or anywhere the Collateral is located so long as it is done peacefully. If there are any personal belongings in the Collateral such as clothing, furniture, and tools, we may store the items. However, we do not have to store them and will not be responsible for the items beyond what the law may require. Any accessories, equipment or replacement parts will remain with the Collateral.

Getting the Collateral Back After Repossession. If we repossess the Collateral we will send to you a notice of sale disclosing that you have the right to redeem the Collateral by paying the accelerated balance and other costs of repossession. Under certain circumstances, you may have the right to reinstate the account by paying past due payments plus any late charges, the cost of taking and storing the Collateral and other expenses that we have or our assignee has had. We will use the net proceeds of the sale to pay all or part of your debt.

If you own less than the net proceeds of sale, we will pay you the difference, unless we are required to pay it to someone else. For example, we may be required to pay a lender who has given you a loan and also taken a security interest in the Collateral.

If you owe more than the net proceeds of sale, you will pay us the difference between the net proceeds of the sale and what you owe when we ask for it. If you do not pay this amount when asked, we will charge interest on it.

If you have wrongfully damaged the Collateral, you will be flable to us for the damages.

Attorneys Fees. To the extent permitted by applicable law, if we hire an attorney other than our salaried employee to collect what you owe, you agree to pay our reasonable attorney's fees, including any incurred in connection with any bankruptcy or appellate proceeding, and any court costs and out of pocket expenses, whether or not the suit is filed, plus interest on such sums at the highest rate allowed by law.

- (1/4) Its laughable that I have 10 million in Sands Point and I can and have the proof. You have villified me over the house. Their are huge liens for 7.5 mil (2/4) lion. You want those paid, and you and your mother and want me in LV. Sorry Eve, the reality is if you want your lifestyle, you have to work with me. If (3/4) not we can sell sands, pay off liens and buy something more modest for you and the kids. Everyone always starts divorce and loves there lawyers pipe drea (4/4) ms until 3 yrs later reality sets in. Support me, believe in me, and help so we can work it all out together. I want what's best for you and the kids.
- (1/4) The taxes haven't been payed in 2 yrs on Sands Point. The upkeep is tremendous and you hated the house. You hated what I did with the house. And if we ha (2/4) we a all out war, we run more risks of liens. Whatever we do should be done quietly and with honor and dignity. When I had, I always wanted you to have t (3/4) he best, and that will never change. I would want you always to live with kids in the house, but we have to work together. I am trying Eve, and I used to (4/4) always come through. I would bet on me!
- (1/3) You are not caring about me saying I want sands point, plaza, all my money and all debts payed. Telling the father of your children to go to LV is beyon
- (2/3) d mean. Making me uncomfotable to be in Plaza is beyond mean. Who have you become? I don't even recognize you, you are not the Evece I knew. I care about
- (3/3) you and adore my children, be a good person and it will work out better than you could have ever imagined!
- (1/7) Okay, that I know. But what do you feel so guilty about? Do you feel you betrayed me? What is so bad about ackkwoledging that I am responsible and owe yo
- (2/7) ur mother money. There's something wrong with you. I am saying it in the context that everything needs to be taken care of. And don't ever give me a date
- (3/7) or ultimatum about my children. We will talk to them when I can provide stability and where I will live. And if I wanted to live in sands point or the p

- (4/7) laza I woulkd do so. The fact is I don't. Don't threaten me. Just because you need closure, I don't want to hurt our kids and not have answers. I feel yo
- (5/7) u are going to wish you had this time in your life to change things. I feel bad for us, because you are certainly going to have many regrets. Please stop
- (6/7) emailing me and going back and forth. I really feel terrible for our kids. I think in the long run it will be healthier. I am not going to fla with you,
- (7/7) I will discuss taking the kids away with me in March if you think its okay!

Please call me important!

- (1/7) Your whole entire life is about you and the drama. You need everyone to know your pain, a proffesional victim for attention. This divorce is about money
- (2/7) and you cared far more about yourself than your children. You needed time frames to show everyone who was jeolous of us that you were tough and not being
- (3/7) taken advantage of. After today, I have no love for you. I still care and will help with all my fiber to get you all the money and security. But our div
- (4/7) orce will be the opposite of your parents. I won't chase you or want you. I will be a gentleman, but want very little contact. As long as youdont hope ou
- (5/7) t and embarrass our family, I will support all your efforts. If you make a mistake and try to ruin my career, its on you and I can't help with anything.
- (6/7) I want you to be happy in life and no longer consider you have any vows to me. I will act within our vows tilll divorce, so I can Ellie and Eric and all

The chance of hurting others, I want peace and only want to arrange when I am seeing the girls. I truly wish you a great life, you deserve it!

- (1/3) All about you and your time frame. You got want you want and your family got what they want. Enjoy it, closure for you and pain for our kids. I have noth

- (3/3) our own life!
- (1/2) Will be home tomorrow night to get my clothes for trip if you would like to stay in city. Called off closing, so I am trying to get on earlier flight. Te
- (2/2) lling you because I would appreciate if we didn't have to see each other for a little while. Please!
- 1/2) I was in a state of shock, and I would have rather been dead than break there heart. I never wanted to hurt you either. I will be a good man to everyone
- (2/2) and help show stability to our children!
- (1/3) I made inroads today on making your life better. All I want is you to be free of me and have everything. I signifigantly improved me satisfying everythin

- (3/3) most beautiful life!
- (1/7) Eve, your looking for a excuse to really cause irreparable damage. I am giving it my all for you and the girls. There is no right way to handle yesterday
- (2/7) . So much has gone on behind my back, so much deep betrayal. If you can live with yourself fine. There my Angels and they saw how painful this is for bot
- (3/7) h of us. I will tell you for the hundreth time, work with me, not against me. You said you have cooperated with me since Sept. How? What have you helped
- (5/7) d care about you. I am shattered too for my children. Why can't we just be good parents and friensds, and support me to finish what I need to do for us.
- (6/7) Once you take that out of my hands, you are crippling our family. I don't want to gloat and say ha ha I told you so. I want to say see honey, maybe we fa
- (7/7) iled in marriage, but we did it our way, and we can look at each other fondly always. Have you ever once sat down and said, fuck the lawyers, I swear I w
- (1/4) Won't betray you, won't send docs to anyone so govt can't get, won't hurt you, wjat can I do to help? Once? I couldve handled so much more and quickly
- (2/4) anged things for the better if only I didn't feel like you want me destroyed. I love my kids, why can't you see that. Don't turn this into a war. I don't
- (3/4) want to be in that mode. I love you. I want to end gracefullyn and privately with dignity for our girls. For me to cry in front of them, they never saw
- 4/4) that. It hurt me
- Eve, I am trying. I love my children and they know I love you and want the best for you. Period!
- (1/7) Eve, there's no point in me calling anymore tonight. Parker is a incredible child, and she is not hurt by what happened they are all hurt with the realit
- (2/7) y that were separated. Spin it however you want, I am so sick of the the nonstop sword over my head. I am never, ever, bringing up again what will happen
- (3/7) if we don't keep things quiet and work together. Ever, Your a adult, not a child. You for so long have held everything over my head. I can't beg you to
- (4/7) listen to me anymore. I can and will make everything fine for you. I don't want my children uprooted or hurt. What am I asking for that's so terrible? No
- (5/7) threats! Hove you and will make you always look the best to the children. I promise. Your a great mom, and I know the kids love us. Parker is not thin
- (6/7) king about how crazy things are when we told them, she's hugging me nonstop that she doesn't want me to move. Funny thing, you want to talk that there so

- (7/7) ared, and my kids want me to promise I am going nowhere. I respond by telling them that we have to live separately although we love eachother, and that i
- It won't be much diffrent than now. I love my kids. I love you too Eve.
- (1/4) Please, please give me all phone #s to School principal and teachers. I will call dr gulbranson tomorrow and talk to him. I will be a angel about you. I
- (2/4) am going to fla to help our family, I can't afford to not straighten things out. Please if you can update me. I go back and forth on text so we don't fig

- (4/4) Id never ever want that!
- I would like to just say goodbye before I leave, but your not picking up. I am sorry I am going. Please let me know how your doing and the kids!
- 1/3) Eve, when I rolled my eyes the truth is I don't feel you love me. I didn't think, and didn't think we could ever tell our kids. You kept pushing me to te
- (2/3) If them, and I felt you were criminally threatening me. I would have done anything in this world to not tell them, and I feel everything has changed for
- (3/3) good. I never wanted us to hurt them. I am truly sorry how I handled it. Let's just take care of them. I am sorry!!!
- (1/5) I am sorry you were embarrased at temple. Certainly never stranded the Rabbia and I believe we have been very generous. We don't owe them. 27k, you said
- (2/5) you were removing us from the Rabbi circle and that's 15k. I was and have been waiting for you to call them to straighten out. Whatever you would like me
- (3/5) to do. Let's make a list of priorities, taxes on house, Rabbia etc, and prepare a list of importane to you, what should and has to take care of. I will
- (4/5) get it done. If you want you can text it to me, when your up to it. I want your mind at ease to take care of kids, and I will try my best to handle thing
- /5) s as quickly as I can.
- (1/2) Just left my babies. They are the greatest kids in the world, thanks to you. We had great talks, really. They just need us. Hope you sleeping, I am think
- (2/2) ing about you a lot!!
- 1/7) I am on the plane. Bad timing leaving now. I had to, I could not in good consciense let Ron wire me 17 million for a deal with the instability going on.
- (2/7) I have the top people in the city knowing what I can do, and one transaction makes all this ugliness disappear forever. I didn't go through with it becau
- (3/7) se I can't even trust you to sit down, have me explain things and to get it done. When the deal was ready, you brought up criminal, and telling the kids

- (4/7) and I freaked. I am sorry. I was working on closing 4 huge deals and out of the 50 million I was getting from Ron and a Beverely Hill s investor who I ha
- (5/7) ve known for 20 yrs, 50 was going in and another 20 was going to me upfront to clean up everything. I couldn't even sit down and have a conversation. You
- (6/7) say you were cooperating for 6 months, name one time you signed one thing or willingly went to a meeting. I am asked by Eric 10 times a day is Eve stabl
- (7/7) e, he doesn't want to get fucked. Ellie is a gentleman but harrasses Shelly whether he should Lein to protect his interests. Nobody would be thinking
- (1/5) Anything if we showed alittle stability. I just need to show my nvestors that betting on me and cleaning up my mess will not bring them entangled in a co
- (2/5) urt divorce. Your a smart buisness woman, why don't you get this. I am there. If I can finish this off, you, your mom, eric, Ellie and Ron would all be f
- (3/5) inished. Everyones behind me, why aren't you. We should not involve outsiders and get this done for our children. This is what I do. I never have not com

- (5/5) s are safe secure and princesses. Stop fighting me and stop being someone I can't trust. Don't betray me anymore, we won't survive it.
- (1/2) Our kids love us, they will forget yesterday. There only concern is that we get along love eachother and that I will aleways see them. I will be a good d

Okay!

Spoke to school psychiatrist. He sounds nice.

Nothing!

If I send you something about buisness do you swear not to betray me and show ANYONE, nomatter what?

I want them to enjoy that house for the rest of there lives and theeir children. That's what I do everyday!

Okayl

(1/2) I told you something in confidence that you swore you wouldn't share. I don't care about 640. I care about straightening everything out for you so we can

(2/2) all go on. I told you this even after I felt threatened to the max. We were friends once, we should always be on the same side for our kids!

My kids know, and I know what I say about you. Let it go Eve, the kids know how much I love you. We are going to have a united front for them.

- (1/6) The closing was off as you know. I had the worst buisness week of my life, ofcourse alone. Couldn't get you to cooperate or help. I told you it was off b
- (2/6) ecause it was. I don't want to go back and forth. Please read the email I sent you about it, because I wanted to show you that when I do some other thing
- 3/6) s, people actually believe in not like my own wife and I am going to take care of everything like I promised. And it is very hard to trust you and confid
- (4/6) e because there are many people trying to help our family and you listen to bad advice comstantly and I don't want to hurt others and put there money at
- (5/6) risk when there trying to help our family get everything back. I really can't go back and forth negatively. Please read the email I sent you, erase
- (6/6) nd for once try to believe in my honor that I just want to resolve all financial dealings the right, honest way, so we can be friends.

Okay, are you manipulating me for what? Do you know what you have done with

- (1/6) Info I have given you. Do you know what you have threatened me with. Do you know how it hurt my children that you wouldn't cooperate with me and help me
- (2/6) close. People are trying to help us and I have to worry what your capable of. I have had it with the hanging up and threatening me criminally and constan
- (3/6) tly saying that's it and don't talk to me. You want to make me into a animal. Okay than! I have tried but power and bullying me has gone to your head. Yo
- (4/6) u have no idea how you treat me. You have no idea what I go through every day. I have begged you to believe in me and allow me to help you. You say no to

- (5/6) everything. You just will not be happy until your in a war, its all you know. You say how you want to show the kids your united and all you want is to t
- (6/6) urnine so hard that I have no choice. I am done begging you to be reasonable!
- (1/7) Eve, your not doing me any favors about listening to me about lawyers. You have listened to O about what I have asked you. I have gotten you to go to tw
- (2/7) o meetings in 6 months. If you go to lawyers, than you do.I am not begging you, you only want everyone to feel sorry for you. I am 10 times mor protect
- (3/7) in a divorce than I am now. I will not pay boat, your mother or house or any other fucking cent. I will have the lawyers deal with everything and will n
- (4/7) ever be ordered out of a house or have to listen to anyones ravings again. I can finally protevt myself and tell the world I can't help with anything, my
- (5/7) wifer filed. I never want to ne threatened again. There isn't one person that believes this is anything but about money. You will not be happy until you
- (6/7) relive everything your parents went through. Your willing this to happen. I don't even know you. You have betrayed me everydatly, and I am the wrong per
- (7/7) son to continually threaten, because the best thing about me is I love you and care!
- (1/7) I am celebrating nothing. What's to celebrate, I don't have a name, my wife won't stand behind me. We didn't have one second of congratulations. I am her
- (2/7) e to work out a program to help my family. There is no talking to you. I see Paris and Parker moning to me every second. I keel over in pain and punch th
- (3/7) e walls to my hands bleed over all my clothes. I am powerless to remove their pain and wish G-D would help me make everything allright for them. I am in
- (4/7) a daze and wish I could give up. I can't. I have to fight for my ex wife and my kids future. You made this happen and you for months knew and plotted for
- (5/7) this to happen. The money was temporarily gone, so was your love for your husband. And you and your mother who wants to steal my kids, figures it is nec
- (6/7) essarry the kids go through this. Toughen up the marriage is over. Great advice for my angels. Believe me, I know everything that has gone on. I just don
- (7/7) 't say it. Be proud of yourself Eve, your a train wreck being driven by a 3 time loser holdingg poor Eves hand and you can both bring up the girls.
- (1/7) Everything is a secret, everything is a lie. Everything is a plan behind my back. The police were called on me and I was called a criminal infront of m
- (2/7) children. That was not traumatizing to you. No mother would allow that, but that's okay with you. In front of the children with the police there you side
- 3/7) d with your mother. And that your okay with. But a father who cryed becausae he loves his family is the sickest thing you ever saw? What have I not liste

(4/7) ned to you. You asked to tell the kids for months? You wanted this. You want the money figured out and the kids told. All about you and your confidants p

(5/7) lanning how to proceed. Faxing emails and financial info to lawyers. Oh the same lawyers as your mother. No regard when I tell you this is not smart beca

6/7) use of the government. Which by the way if we have a public fight will be nothing that anyone can stop. But you don't have to listen to anyone, you want a

(7/7) time frame. Your going to read all this one day and say he told me. Everything is always so sneaky and behind my back. I used to respect you like

Noone I ever met before.
